 the Trouble of a long, and perhaps disagreeable De-
 tail of the Execution of the Trust, will, for my own
 part, only request short pointed Answers to these few
 questions.
 1st Did you Mr. Hephurn send the very Lamb to
 Mr. Waring, which was sent to your Care by Mr.
 Mackall? I am told he declared to Mr. Waring and fe-
 w others, that he never had such a Sheep upon his
 Plantation.
 2^d Had you not a Quarter Blood from Mr. Digges?
 I am told you had.
 3^d Did you send Mr. Waring the Lamb, before you
 had that of Mr. Digges? I am told you did not.
 4th Have you not a Ram that runs in the same Pas-
 sure with the Ram you had of Mr. Mackall, and with
 the same Ewes? It is said you have, and that they ap-
 pear exactly in Breed alike.
 5th Why do you keep the Two Rams with the
 same Ewes, if one is inferior in Breed to the other?
 Have you not been always vastly peculiar in Regard to
 your Sheep? I am told you have.
 6th I am informed, that at the Time you was told
 you was the Person so much talked of, you said, you
 would not conceive that you was meant by the *Casuis*,
 if you did not think so, why was you not as anxious
 to know what was meant by that Paper, as your
 Neighbours were? I can venture to say, there never
 was any Matter more talked of, and yet I am told,
 that you and your Family were never heard to men-
 tion it, 'til you was forced, which was near Three
 Months after the *Casuis* appeared: How happened all
 this?
 If Mr. Hephurn should vouchsafe to answer, I should
 be glad to know, who were his special Informers in
 Regard to the above-mentioned Debauch, and shall
 be glad to inform the Public; who besides himself, from
 this County, danced Attendance to the Governor on
 that Occasion, that it may be seen at first View, what
 Principles they acted on.
 I shall only add, that as Mr. Hephurn heretofore
 made the Attack on me, as I have recited above, with-
 out Regard to my Reputation or my Family, and is
 still endeavouring to injure me, as I have likewise
 mentioned, I hope I shall stand fully excused, not on-
 ly for this Vindication of myself, but also for my now
 becoming thus far a Party in the Affair of Mr. Wa-
 ring's Lamb.
 I am, &c.
 ROBERT TYLER.

July 18, 1769.
 THE Manufactory of SNUFF and TOBACCO, at
 Bladenburgh, being now carried on at a very
 great Expence, the Owner thereof takes this Method
 to inform the Public, that he will use his utmost En-
 deavours to furnish, both in Wholesale and Retail, all
 his good Customers, at the accustomed Prices, as well
 as those who may hereafter chuse to become such: He
 also acknowledges himself much obliged for their for-
 mer Favours, and hopes he shall always Merit the Con-
 tinuance of them.
 The Public is desired to remember the Disadvan-
 tages he has long laboured under, from the Prejudice
 that People in general have heretofore had, in Favour
 of all imported Snuff; this, he hopes, is now in some
 Measure removed, as he has the Satisfaction to assure
 them, that those who have constantly taken their Snuff
 from him, since the First Attempt to establish this
 Manufactory, are, he can truly say, universally pleas-
 ed. He is at a Loss to know, whether he has any Occa-
 sion to mention the Necessity he will shortly be un-
 der, of packing his Snuff in Country made Pots, if he
 cannot get Bottles, having debarred himself the Im-
 portation of Bottles, by Subscribing among the Sons of
 Liberty, to which Subscription he is determined strict-
 ly to adhere, and therefore sincerely wishes for an
 Acquiescence in this Proposal, being himself most a-
 wowedly a Friend to America.
 He is convinced, that many Gentlemen, and others,
 who live remote from this Manufactory, would favour
 him with their Custom, if the Difficulty of Conveyance
 was no Hindrance; to remove which, as much as
 possible, he entreats them to send, or give their Orders
 to some Merchant in the next adjacent Town, or
 other convenient Landing, who, he hopes, will be
 thereby encouraged to become a Wholesale Customer.
 The Gentlemen Merchants, who will be so kind as
 to receive Orders for him, are requested to procure
 him what empty Snuff Bottles they can, *Kippen's Size*
 especially, and to convey them to him as soon as
 possible. The Price at Bladenburgh is Four Shillings
 per Dozen.
 He has for Sale, Two well improved LOTS in
 George-Town, now rented for Twenty-five Pounds per
 Annum, a Tract of Land, about One Mile and an
 Half from Bladenburgh, called *Copenhagen*, containing
 103 Acres; about Sixty of which are cleared, and
 fit for a Farm: The Title indisputable. He has
 also for Sale, a healthy strong Negro Man.

Upper-Marlborough, July 25, 1769.
 THE Subscriber intends to depart for England, by
 the First Ship that sails in September next; he
 therefore prays all Persons who had Dealings with him
 at the above Place, with Mr. Edward Boteler, at Not-
 tingham, and with Mr. Samuel Hephurn, at Marlborough,
 on Account of Mr. James Russell, of London, to pay
 their respective Balances in Cash, Bills of Exchange, or
 Tobacco.—He will allow the Market Price for To-
 bacco in Discharge of any Debts at each Place; and
 such Persons as cannot pay by *Prince-George's August*
 Court, will, he hopes, settle their Accounts with him,
 and give their Bonds, or Notes of Hand, in which the
 Time allowed for Payment shall be as long as can be
 reasonably expected. He hopes every Person concerned
 will see the Propriety of settling their Accounts with
 him, and ascertaining the respective Balances due to
 his Employer, before he leaves the Country. Those
 who do not comply with the above Request, he thinks,
 will have no Reason to be offended, if their Accounts
 are put into the Hands of a Lawyer. Those who have
 Claims against the above Concerns, will of Course
 bring them in.
