It is said a large Body of Regular Troops will be embarked for the East-Indies, as soon as possible.

By authentic Advices received from Paris this Day, we are assured, that on the 29th Ult. a Courier extraordinary had arrived there from Rome, with the News that Cardinal Ganganelli had been proclaimed Pope in that City on the 19th of May, and had taken the Name of Clement XIV. He was born at St. Archangel, in the Diocesis of Rimini, the 31st of October, 1705, and was advanced to the Rank of Cardinal, the 24th of September, 1759.

June 3. The last Packet from North-America, brought a Letter of Thanks from the Town of Boston to Col. Barre, for his Conduct in Parliament, and also enclosed him a Remonstrance to his Majesty, setting forth the Grievances they labour under, and particularly mentioning the Conduct of Governor —; also the Contents of Six intercepted Letters, which discovered a Project of the most dangerous Nature. — The above Remonstrance, we hear, was presented Yesterday.

Eight Articles of Impeachment are expected to be exhibited at the Meeting of the P—t, against Two great Men; which it is thought, will be followed by many more.

Extract of a Letter from Leghorn, May, 12.

"This Day a Vessel arrived from Corsica. The French, immediately after having received their Reinforcements, marched through the Flat Country, where they found all the Towns and Villages abandoned by the Inhabitants; this encouraging them to march farther, without taking the necessary Precautions, they found their whole Army, consisting of 5000 Men, suddenly surrounded by Paoli and his Two Brothers, who immediately attacked and totally routed them, killing great Numbers upon the Spot, and the Fugitives were afterwards attacked by those who had abandoned their Villages, so that very few of them escaped."

We hear that a Gentleman arrived at St. James's from Corsica on Thursday Night, who brought a Confirmation of the Defeat of a Body of French in that Island by the Corsicans.

June 7. On Monday the Antelope Man of War, Commodore Byron, sailed from Portsmouth for Newfoundland; the Commodore has carried over several valuable Presents for the Indian Chiefs in the Neighbourhood of St. John's, and in the Country of Labrador, to attach them more firmly to the British Interest.

They write from the Havannah, that on the 15th of February last was launched, at that Port, a new Man of War called the S. Real, pierced for 112 Guns: And that they had another nearly finished upon the Stocks, to carry 94 Guns.

It is rumoured that the last American Dispatches brought over some secret Intelligence, respecting the apparent Designs of a certain Power, to disturb the Tranquillity of the British Provinces on that Continent.

It is reported that a certain Petition gave much Offence, and that at a respectable Meeting, it was moved to apprehend some of the principal Subscribers; the Motion was, however, over-ruled, and the Petition given into the Hands of a great Lawyer, who is to consider what is best to be done with Regard to it, and report his Opinion at a future Meeting. It is generally imagined it will be laid before an august Assembly.

The following is a Translation of the Letter which Prince Gallitzin, Commander in Chief of the Russian Army, wrote to the Empress of Russia, to notify the Victory which he has gained over the Turks:

Most Gracious Sovereign,

"I have the Honour to inform your Imperial Majesty, by this Letter, wrote in great haste, of a signal Victory gained this Day over the Enemy, through the Assistance of the most High, and the good Fortune attending the Arms of your Imperial Majesty. The Turkish Army, commanded by Karaman Pacha, notwithstanding his advantageous Situation under the Forts of Choczim, has been attacked, defeated and dispersed, Part being driven into the Town, and the rest flying off with the utmost Precipitation. The whole Enemy's Camp is taken. As for the rest, I shall not fail to send your Imperial Majesty an exact Detail of this glorious Day.

I am, with the most profound Respect,

Most devoted Subject,
Prince ALEX. GALLITZIN."

May 25. Yesterday the Petition of the Freeholders of Middlesex, which has been so long preparing, was presented to his Majesty at St. James's, and most graciously received; to avoid Tumults no more than 7 Gentlemen went with it.

Lord Willoughby was the Nobleman who introduced Mr. Serjeant Glynn and the rest of the Gentlemen, who delivered the Middlesex Petition to his Majesty, who was graciously pleased to accept it, and received the Patriotic Petitioners in a Manner that does the highest Honour to the good Sense of our August Sovereign, and evinces, in the clearest Manner, that George, the well-beloved, is sincerely disposed to reign in the Hearts of all his Subjects.

We are assured that no Answer was given to the above Petition, but that in a few Days the Freeholders will wait on his Majesty again for his Answer.

June 6. It is said the Petition of the Freeholders of Middlesex, with the Names annexed, filled no less than Sixteen Skins of Parchment, which altogether made a Roll of an enormous Size.

Letters by Friday's French Mail mention Lord Bute's being on his Journey for England, and that he proposed to be in Town as Yesterday.

The Accounts brought by this Days Mail still vary with Regard to the late Action between the French and

the Corsicans, which is related nearly in the same Manner as before, except that a Letter from Cassina in Corsica adds, "The Action continued with great Fury almost the whole Day, but at Length the French were obliged to Yield, after having lost a great Number of Men: The Corsicans made about 700 Prisoners; but they also had a Number killed."

This Morning several Gentlemen, Agents for the Colonies, attended the Levee of the Earl of Rochfort, on Affairs of Moment relative to North-America.

Extract of a Letter from Paris, May 26.

"According to our Letters from the East-Indies, Pondicherry is re-establishing with surprizing Celerity. It appears certain, that the Affairs of the English have changed their Face in India. The Nabob, their intrepid Enemy, has taken from them, as well by Craft as Force, several important Posts on the Coast of Coromandel; and if he makes a proper Use of his Victory, may draw therefrom the greatest Advantages."

TO THE HONOURABLE
HORATIO SHARPE, ESQUIRE,
Late Governor of MARYLAND.

The ADDRESS of the JUSTICES of TALBOT County,

SIR,

THE Right Honourable the Lord Proprietary of this Province, having been pleased to appoint his Excellency ROBERT EDEN, Esq; a near Relation of his Lordship's, to succeed you in this Government; Permit us, Sir, on taking Leave of you, as our Governor, gratefully to acknowledge the Mildness and Equity of your Administration, and the Benefits and Happiness which have flowed from it to the People of this Province.

Ever since you have presided over us, we have observed, with Pleasure, your steady Care to have the Laws duly executed, and Justice impartially administered, and that a Desire to promote the Good of this Province, hath been the ruling Motive of all your Actions: Such Motives, and such Actions, worthy of those that are appointed to rule, must ever render your Memory dear to a grateful People.

Your public Virtues impressed us with Esteem and Reverence for the Magistrate, whilst your social Virtues inspired us with the warmest Affection for the Man, and must now give you the Heart-felt Pleasure of being followed into your Retirement by the Prayers and Blessings of a People you made happy, but Virtue like yours, will not, we hope, be suffered to remain long sequestered from the World.

In answer to which, his Honour was pleased to write the following polite Letter to Rixdon Bozman, Esq; Chief Justice of their Court.

ANNAPOLIS, the 24th of June, 1769.

SIR,

THE very polite and affectionate Address I have received from the Justices of Talbot County, since the Arrival of the Worthy Gentleman appointed to succeed me in the Government of this Province, demands my grateful Acknowledgments, which, Sir, I desire the Favour of you to present to them. — As it was the Height of my Ambition to discharge the Trust reposed in me, by the Lord Proprietary, to the Satisfaction of his Lordship and the Good People over whom I have had the Honour to preside; the Allurances which have been given me that my Endeavours were not unsuccessful make me quite happy. — In whatever State I may pass the Remainder of my Life, my sincere Wishes for the Prosperity of Maryland, will never cease, and nothing can afford me greater Satisfaction, than to know it flourishes more under the Administration of my Successor, than it did during mine, or in any former Period."

TO HIS EXCELLENCY
ROBERT EDEN, ESQUIRE,
Governor and Commander in Chief in and over the Province of MARYLAND.

The humble ADDRESS of the JUSTICES of TALBOT County.

May it please your Excellency,

A MIDST our Concern at the taking Leave of a Governor, whose Administration made us very happy, Permit us, Sir, to felicitate ourselves on your being appointed to the Government of this Province, and to congratulate you and your Lady on your safe Arrival amongst us; a Lady whose noble Ancestors planted this Colony, and under whose auspicious Government, and that of her Brother, his present Lordship, it has grown to the flourishing State in which you find it.

Your Excellency's near Alliance to that noble Family, we persuade ourselves, will interest you, in a particular Manner, in the Good of this Province; and that Maryland will find in Governor EDEN a real Friend: That we shall be happy under your Administration, and that when you shall desire to exchange the Cares of Government, for the Sweets of Retirement, you will be attended in your Retreat, like the Gentleman you have succeeded, with the most grateful of all Pleasures; a Consciousness that you have done your Duty, accompanied with the sincerest Acknowledgments of every wife and worthy Man amongst us.

To which his EXCELLENCY was pleased to return the following polite ANSWER.

To the Worshipful JUSTICES of TALBOT County, GENTLEMEN,

GIVE me Leave to thank you for your Address, and assure you, I shall endeavour by my Conduct to forward the fulfilling your kind Wishes.

Prompted by my Inclination, as well as the Emulation inherent in every Soldier's Breast; I shall venture upon the arduous Task of endeavouring to equal my Predecessor in the Execution of the Trust reposed in me; If his Abilities and Experience exceeded mine, you may believe me, when I assure you, I shall not fall short of him in my Endeavours to promote the Happiness of this Province on every Occasion.

August 11, 1769.

To be SOLD, by the Subscriber, on the Sixteenth Day of October next,

THE noted Onion's Iron-Works, pleasantly situated on the Little Falls of Gunpowder River, in Baltimore County, and the Province of Maryland, viz. Two large Forges, with Four Fires and Two Hammers; a Furnace in good Repair, with an excellent Pair of Wooden Bellows, new Water Wheel, and a good Stack; a Grist-Mill newly repaired, with new Wheels and running Geers; a Saw-Mill in good Repair, Seven Dwelling Houses, with Smiths and Carpenters Shops, Stables, Coal Houses, and many other Houses, such as, Meat, Smoke, and Chair Houses: All the above in Circumference of Five Hundred Yards, the Stream is good and lasting, with good Dams and well gravelled, an excellent Fall and Head Water to the Wheels. The above is healthy and pleasantly situated, at the Head of a navigable Water, where the Tide Ebbs and Flows Three or Four Feet, within a few Perches of the Furnace Door, which is very commodious, on Account that they may load Boats and Scows at the Work's Doors, and have no Land Carriage. Joppa is but One Mile from the said Works, where large Craft receives any Kind of Freight, to any Port at a very reasonable Rate. There is a beautiful Prospect from the Works of Joppa, and nothing can pass the River but it may be perceived; adjoining to the said Works are Nine Thousand Acres of Land, well watered and excellent Timber thereon: The Land is level and free from Stones, which makes it more agreeable to Coal, and hauling when coaled. There are on the said Land many dwelling, and Ore in great Plenty, several Banks are now open, and many more to open, all of which are not above One Mile from the Works, and good Roads to haul it when rais'd, a good Orchard, and about Three Hundred Acres of clear Land, most of which with a little Expence will make good Meadow, and is all under good Fence. The Country round the Premises is rich and fertile, and plenty of Produce may be had at reasonable Rates, with many other Accommodations too tedious to mention, which make it the most valuable Works on the Continent. Any Gentleman inclining to purchase before the Day of Sale, may take a View of the said Works. Credit will be given, for Part of the Purchase Money, on giving Security if required, and paying Interest.

N. B. If the said Works should not be Sold, at or before the Day of Sale, they will be rented for a Term of Years, by
