SOLD by Mr. John Mestall, living in Frederick-Town Maryland, at Twelve Shillings per Bottle, PALMER'S WATER, for the safe, easy, and expeditious Cure of the STONE and GRAVEL.

WHICH entirely dissolves the Stone in the Bladder and Kidneys, and brings it away with all the head and gravelly Matter that may accompany it, without any Recourse to the painful Operations of Cutting or Probing. On first taking this Water, the Cutting of the Stone appears in a red, glossy, and scaly Form, on the Sides and Bottom of the Vessels receiving the Urine; but after taking it some Time, the Inside of the Stone comes away gradually, of a Free Stone Colour, either in small Particles, or in Sand; and at last in a sandy Substance. Those who take this Water, are desired, for their own Satisfaction, to save the Quantity of their Urine, for, as they see the Quantity of dissolved Stone that comes away increase, they will find their Pains and Complaints decrease in the same Proportion. This Water not only cleanses the Vessels, but prevents the breeding of that tartarous Mucilage, from which proceed the Stone, Gout, Scurvy, Dropsy, and many other Chronic Diseases. It likewise gives immediate Ease in all Pains arising from internal Ulcers, especially those in the Liver, Kidneys, Bladder, and urinary Passages, which it soon cleanses and effects, usually heals up. Persons who feel Pain in the Back, Loins or Kidneys, attended with Difficulty, or Pain, in making Urine, Sickness of the Stomach, or Dimness in the Eyes, by taking but Three or Four Bottles of this Water, might soon be thoroughly convinced, of the Stone, or Gravel, is the Cause of their Complaint, which before, perhaps, they had spent much Time and Money to find out the Source of, to no Purpose, as has been the Case of many People lately cured by this Medicine. In these Complaints, some have taken such violent Medicines, and such immoderate Exercise, as to make the Stone come down so low, that nothing but Probing could give them Relief; whereas, by merely taking this Water, the Stone has been softened and broke, and brought off in a short Time, in Pieces of different Sizes, as may be seen by Time, in the Persons cured, who will justify the applying to the Persons cured, who will justify the Truth hereof. What makes this Water more valuable, is the gentleness of its Operations, which is by Urine only, and the pleasantness of its Flavour. It never creates an Appetite; and, what is very extraordinary, it requires no particular Diet or Confinement, so that the Patient may follow his Business as if he had taken nothing. It may be taken by Persons ever so young or old; by those of the most delicate Constitution, and even labouring under a Complication of Disorders. Persons of undoubted Veracity, cured by this Stone-Water, will be made known, by enquiring of Mr. Stephen Palmer, the Proprietor, in Warwick-Court, Holborn; or of Mr. Robert Peacock, at the Golden Lion, near Swanet House, in the Strand, whom Mr. Palmer has appointed (and him only) to dispose of the same, with himself, Price Six Shillings a Bottle.

At the above Places may be seen, the various Sorts of Gravel and Sediments extracted by Means of the said Water.

DIRECTIONS for taking the STONE and GRAVEL-WATER.

THE Patient must take Half the Quantity contained in one Bottle, mixt with an equal Quantity of White Wine, and as much Loaf Sugar as will sweeten it to the Palate; the whole made Blood-warm, Two Hours before Breakfast; but, in Cases of Extremity, at any Time when the Stomach is empty. In ordinary Cases, it is to be taken every 24 Hours; but in great Pain, or where the Disorder has been of long standing, every 12 Hours; 'til the Patient finds himself easy.

N. B. To prevent Counterfeits, all the Bottles containing this Medicine, are sealed with Palmer's Arms, with these Words round the Seal, PALMER'S STONE-WATER.

The NAMES of the Persons cured by the STONE-WATER.

MR. Williams, at the Green Dragon, Fleet-Street. A Child of Five Years old, recommended by Mrs. Worlington, at the Musical-Clock, Fleet-Street.

"This is to certify, That I Thomas Hurst, of Ropsley, in the County of Lincoln, Chaplain to his Grace the Duke of Rutland, had Scorbatic Eruptions on my Ears, and in my Neck, and on the back Part of my Head, and a violent Pain in my right Leg and Ankle, that I took a Water for about Six Weeks, made by Mr. Palmer, in Warwick-Court, Holborn, London; and that I am now clear and quite free from the Breakings out, and have no Pain in my right Leg and Ankle, I thought it a Duty incumbent on me to make my Case public, that others might have the same Relief, as well as myself, in the same Disorder." THOMAS HURST. Jan. 13, 1769.

"For Eighteen Years past I have been afflicted with that terrible Disorder the Stone; I have had the Advice of many able Physicians, but found no Relief; by Chance, I met with a Bill of Mr. Palmer's (of Warwick-Court, Holborn,) Stone-Water, which so described my Case: I was willing to try it; happy it was for me, I found Relief from the first of my taking it. I continued it for some Time, and I have parted with such a Quantity of dissolved Stone that is not credible; it may be seen by applying to D. Dainton, in Little Kirby-Street, Hatten-Garden."

"For Nine Years past I have been greatly afflicted with violent pains in my Stomach, and have had the Advice of some of the best Physicians in England, and, after taking almost every Thing within the Practice of Physic, without Effect, I was recommended to the Use of Palmer's Stone-Water, of Warwick-Court, Holborn; from the Application thereof, I found the Stone my Complaint. I have found Relief in my Disorder, having voided large Quantities of Stone, and Matter seeming to be Stone dissolved. At present I am free from

Pains, which I have not been for many Years before. I therefore think it incumbent on me, for the Benefit of the Public, to make it known.
