WHEREAS Francis Philips, of Kingstony Furnace, in Baltimore County, by his Advertisement in the Maryland Gazette, dated the 30th of December last past, mentions that I have offered for Sale, a Tract of Land, called Sheredine's Bottom, in which he says, to prevent an Imposition on others, and trouble to himself, he takes Leave to inform, that much the greater Part of said Land is included within the Lines of an elder Survey, made by the Principio Company, the Truth of which Matter any Person may be satisfied by applying to him. The Tract of Land called Sheredine's Bottom, contains One Hundred and Fifty Acres, and was conveyed to me from James Cary, under a Deed, with a General Warranty from Thomas Sheredine, on which I have made a Re-survey, and added a Quantity of vacant Land thereunto adjoining. Fifty Acres, Part of the original Tract, or such of the Vacancy added, I have sold to a certain David Mumma, of Lancaster County; which Quantity, and no more, I am advised, by good Council, is clearly my Property; and as for the Remaining Part I have never offered for Sale to any Person, nor do I intend to dispose of it; and would advise Mr. Philips to confine himself to Truth in any future Matter he may put in Print, as it is false as he asserts that I offered the Tract for Sale; and also, that Sheredine's Bottom, or the greater Part of it is included within the Lines of an elder Survey, made by the Principio Company, as no Survey was made by that Company for many Years after the Date of the Grant for Sheredine's Bottom.
