THE FULLING-MILL at the Mouth of Patuxent River, is now provided with a good Fuller, and ready for Work; such as fulling, dying and pressing all Sorts of Clothes and Worsted Stuffs, Scarlet and blue excepted, unless dyed before sent to the Mill. As the insupportable Inconvenience attending the Collection of a Number of small Debts, from various distant Parts of the Country, must be obvious to every one; and as this expensive Undertaking was begun and prosecuted, principally to encourage the Manufacture of Woollen Country-Cloth, at a Time when the oppressive Measures, lately adopted and pursued by the Mother-Country, render it indispensably necessary, for our own Well-being, that every Individual should manufacture as much as in his Power lies.—It is hoped that no Offence will be given if the Proprietors desire the Money for fulling, &c. to be sent by the Person who is to receive the Cloth, as it is absolutely necessary to support the Work.—All Persons who will favour me with their Cloth, may depend on having it finished off in the best Manner, and with all possible Dispatch; and to prevent Mistakes the Owner of every Piece of Cloth, is requested to put the initial Letters of his or her Name in the Web.
