ANNAPOLIS, MAY 24, 1770.

T O B E S O L D,
A LIKELY young Negro Man, about Twenty-three Years of Age, has worked at the Blacksmiths Business about 9 or 10 Years, is a good Tradesman, very active, supple, and an orderly well behaved Fellow, sold for no Fault, only that his Master declines the Business. Enquire of the Printer.

T H E Manufacturer of TOBACCO and SNUFF, at *Bladenburg*, once more addresses the Public, but particularly the Gentlemen Merchants, Factors, &c. acquainting them, that he is desirous to furnish them with Snuff, in the Wholesale Way, and to prevent Disappointments, he requests them to send their Orders to him as soon as possible, for it is highly probable he may enter into such Engagements, as will effectually hinder his supplying them with the Quantities they may want.

It may not be improper to acquaint those Ladies and Gentlemen who live remote from the Manufactory and are desirous of becoming Customers, that he makes plain Scotch, Rappee, Spanish, and high Toast Snuff, and many Sorts of those different Kinds. In these Times of Oppression, when Patriotism is the Theme of every Lover of his Country, it is hoped that the Want of Bottles will be no Obstacle to the Sale of his Snuff, which he purposes to pack up in Country made Pots, when his present Stock of Bottles is exhausted.

He has the Pleasure to acknowledge himself much obliged for the Favours received from his good old Customers, and is anxious to merit a Continuance of their Correspondence with,
Their very humble Servant,
RICHARD THOMPSON.
