THE Honourable PROPRIETARIES of PENNSYLVANIA, &c. having been pleased, by their Charter of Incorporation, dated Nov. 10, 1764, to appoint the Honourable William Allen, Esq. in Rev. Dr. Francis Alison, the Rev. Mr. Alexander McDouel, the Reverend Mr. John Ewing, the Reverend Mr. William McKennon, the Reverend Mr. Patrick Alison, the Reverend Mr. Matthew Wilson, Dr. Hugh Williamson, Mr. Charles Thomson, Andrew Allen, Esq. Thomas McKean, Esq. Mr. James Mearns, and John Evans, Esq. Trustees of the Academy of New-Ark, in the County of New-Castle, upon Delaware; the said Trustees, in order to promote the good Ends of their Institution, have chosen the Rev. Thomas Read, Rector of the Academy, with Two Assistants; and are determined to make such Addition of Tutors or Professors, as the Interest of Learning, to the growing State of the Seminary, may require.

A Grammar School was opened, above Twenty Years ago, by the Rev. Dr. Alison, a few Miles from New-Ark, in which Neighbourhood it has continued from that Time, with a few Interruptions; about Eight Years ago the School was removed to New-Ark, and has been under the Inspection of most of the Gentlemen above named, ever since it was fixed in that Town. The Trustees observe, with Pleasure, that the Number of Pupils is greatly increased within the last Four or Five Years, whence they flatter themselves, that their Attention to the Institution, and manner of conducting it, has been acceptable to the Public.

The Trustees do not choose to say much in Favour of the particular Mode of Education which is pursued in this Seminary, lest they should be suspected of Partiality, as the greater Number of them were educated there, while it was in its infant State; but they can venture to promise, that the most watchful Attention, and zealous Endeavours, shall not be wanting, on their Parts, to improve and extend the present Plan of Education, to guard the Morals of Youth, and cause them to be educated with Diligence and Fidelity.

New-Ark is conveniently situated, being Five Miles from the navigable Waters of Christiana River, and Seven Miles from Elk River, which afford an easy Communication to those, who live either in the Northern or Southern Provinces. The Experience of several Years has given the most satisfactory Proof, that the Situation is very healthy. There have been very few, hardly any, Instances of Sickness, nor one Instance of Mortality, among the numerous Youth of this Academy.

The Parents of Children have the utmost Security, that can be desired, for their Morals in this Place. The small Town of New-Ark, which is generally inhabited by sober industrious People, affords no public Amusements, nor any remarkable Instances of Prodigality or Vice, to draw the Attention of Youth, divert them from their Studies, or turn them aside from the Path of Virtue. A Committee of the Trustees are also to have the Academy under their constant Inspection; and they are determined that no Rector, Professor, or Tutor, shall ever be supported in that Seminary, who is not a Man of a decent Deportment, and approved Virtue, as well as accurate Learning.

Youth are decently accommodated in the Town for 15l. per Annum; and such as desire it, may be provided for, on easier Terms, at the Houses of reputable Farmers in the Neighbourhood, many of whom are contiguous.

It is hardly necessary to enumerate the several Branches which are taught in this Academy. The Latin and Greek Languages shall be taught with the greatest Accuracy and Precision; and for the Benefit of those, who have not Time to finish a regular Course of Academic Education, proper Persons shall be appointed, to teach such practical Branches of Mathematics, as may be thought necessary to qualify them for immediate Business. The liberal Arts and Sciences shall also be taught, in the most regular Manner, to such Persons, as would dedicate a sufficient Portion of Time to those Studies, which are so well calculated to strengthen and improve the Understanding.

The Trustees will continue to visit the Schools regularly Twice a Year; on which Occasions, every Student, who shall appear, on a public Examination, to have finished a regular Course of classical Education, with Sobriety, Industry and Abilities, such also, as appear to be sufficiently acquainted with the other Branches of Learning, that are taught in this Seminary, shall receive proper Testimonials, signed by the Trustees, and authenticated by the Seal of the Corporation. And as the Course of Education is to be determined by the Genius and Industry of the Pupil, and not by the Number of Years that he has studied, the Trustees can readily be excused from recommending any Person, who has not made sufficient Progress in Learning, whence they have Reason to expect, that their Testimonial shall always be considered a good Proof of literary Merit.

N. B. The Trustees of the Academy of New Ark are to observe, that their stated Meetings for visiting and examining the Schools, &c. are to be on the second Tuesday in April, and the last in September, of which they are not to expect any other Notice.

By Order of the Board,
HUGH WILLIAMSON, Secretary.

TWENTY DOLLARS REWARD.

RAN away from the Sloop Tryall, in Rappahannock River, in Virginia, on the Second Day of December last, a bright Mulatto Man Slave, named SAM, about 25 Years of Age, 6 Feet 2 Inches high, strong and well made, has a small Scar on his Forehead, over one of his Eyes, I think it is the left, and a large Quantity of long Wool on his Head, which he sometimes wears about the Crown: His Cloathing is such as is worn by Seamen, and were imported from England ready made; the under Jacket of spotted Swanikin, the Sleeves of which are much too short for his long Arms. He had also with him, a new spotted Rug, and some mixed coloured Broad Cloth which he had stolen, and I believe was the Cause of his Flight, and may probably induce him to go a great Distance to avoid Punishment. He was bred up to Plantation and Farming Business, and sometimes employed as an Ax Man and Sawyer about Ship building: Has only been about Six Months by Water, so that he cannot be supposed to be a complete Sailor.

Whoever apprehends and secures him in any Jail, so that he may be delivered to Mr. Charles Yeates of Frederickburg, or to his Order, shall be paid the above Reward; or if he is conveyed to Frederickburg, a further handsome Satisfaction will be made for the Expenses and Trouble.

(3w) STAFFORD LIGHTBURN, junr.

RAN away from the Subscriber, living in Frederick County, Maryland, an indentured Servant Man, named JOHN GORMAN, born on the Eastern-Shore, he is about Six Feet high, strong made, his Age about 45, has a down Look, and his Hair is dark coloured: Had on when he went away, an old dark coloured Cloth Jacket, a Pair of Kersey Breeches; he has worked at the Carpenters Trade, and is well acquainted with the Country. He is a palavering plausible spoken Fellow, but is a great Rogue, and excessively fond of Drink. The last Place when he was heard of, was upon Elk-Ridge, but it is very probable that he will make across the Bay to the Eastern-Shore.

Whoever brings the said Gorman to Mr. John Macnabb, Merchant in Baltimore-Town, or to the Jail in Frederick-Town, shall receive Five Pounds Reward.
