ONE undivided third Part of the Northampton Iron Furnace, together with the Stock in Partnership thereto belonging, Consisting of Lands, Servants, Teams, &c. &c. The said Furnace, Casting-House, Bridge and Wheel Houses are all built of Stone, in the neatest Manner, and on a never failing Stream of Water, Eleven Miles distance from Baltimore-Town, Baltimore County, in the Province of Maryland, and on the best Road leading to said Town. The Lands are well wooded, and abound in Iron Ore, which is very convenient to said Furnace, and is of the best and richest Qualities, and yields such plenty that I believe no Furnace on the Continent makes more Metal while in blast. On the said Land all round the Furnace, is also a plenty of Lime-Stone, which is made Use of for Flux, the Furnace is now heating, and will be in blast in a few Days; there is already provided and at the Furnace, a very fine Stock of Ore and Coals, and growing upon the Lands, as much Indian Corn as I suppose may supply the Furnace for Twelve Months. At the said Furnace is a good Coal-House, and all other convenient Houses in good Repair. The Purchaser shall be put into Possession immediately, and such Time given for Payment of the Purchase Money, that may make it very easy to the Purchaser, his giving Bond upon Interest, with Security if required. Any Person inclinable to purchase, will be pleased to apply to the Subscriber near Baltimore-Town, in said Province.

Published according to Act of Parliament. The great and learned Doctor SANXAY'S IMPERIAL GOLDEN DROPS.

AFTER a very long Course of private Practice with the tender and most delicate Constitutions, the First Nobility and Gentry in Great-Britain, Ireland, and many Persons eminent for Fortune and Character in America, and in the West Indies, the Doctor has proved beyond all Doubt his Imperial Golden Drops, to be the greatest Cordial to Nature, Medicine ever produced. These Drops are composed from the finest Essence of the richest Gums and Balsams of the East and West Parts of the World; therefore, this Medicine is truly the Balsam of all the other known Balsams. It is from the combined Power, Efficacy and Virtue of the rich and natural Balsams, that these Drops are able to fortify the weak and enfeebled Parts; to give Health, Strength, and Vigour to a worn-out Constitution. So friendly is this great Cordial to human Nature, that it is a medical Aliment; nourishes the vital System, and prolongs Life. It is by these unequalled Virtues; that the Causes of Barrenness and Sterility in Women, and Impotency in Men, are to an almost Certainty removed. All rheumatic and gravelly Complaints are most assuredly relieved; and if continued for some Time, will radically cure the Disorders: Besides, all obstinate Coughs, venereal Weaknesses, Whites in Women, and every Weakness of the Reins and Loins, from whatever Cause proceeding, except the venereal Virus; these Imperial Golden Drops in a few Days effects a Cure. Those Patients labouring under an improper Treatment of Mercurials from unskillful Persons, in a certain Disorder, and find their Juices impoverished, will soon find their Account in the Use of these admired Drops. They who feel the secret Infirmities of advancing Years; or where the Power of Youth begins to decline, will find this Nature's grand Restorative their only Friend. It was for something like this grand Secret in Medicine, that the Fathers of Physick, the immortal Boerhaave and Sydenham laboured their whole Lives in vain to discover for the good of mankind.

It is to be had in Bottles of THOMAS ANDERTON, Bookseller, Wholesale and Retail, at his Store the Lower End of the Jersey Market, Philadelphia. To prevent the Buyers from being imposed upon by any counterfeit Sort, he hath sealed the Bottle with his Seal and Coat of Arms, and signed each Bottle in his own Hand writing.

Where also may be had, Doctor Sanxay's Alexipharmic Pills, and his Specific purging Electuary, which cure the Lues Venerea in all Stages and Circumstances whatever in a very short Time; without imparting the Secret to a Bedfellow, without giving the least Pain, Sickness, Trouble, Confinement, or Retraint of Diet to the Patient; who may at all Times of the Year, and in all Climates of the World, at home or abroad, at Sea, or on a Journey, receive perfect and positive Health, by the Use of These Medicines and exactly following the Rules laid down in the Book of Directions given with them. Advice in all Cases gratis. Letters Post paid duly answered.
