

Do not your rent Cloaths and begrimed Faces still bear the Marks of their Civility? After such Proofs, such undoubted Testimonies, concerning the Cause of this popular Tumult, how can we still be at Loss for the proper Method of proceeding? To me the Cause is extremely clear. We must begin with a Reformation at Home. We must follow the Maxim of the ancient Philosopher, "Know thyself." Then we shall be better qualified for enquiring into the Conduct of others. Upon this Plan alone I approve of the Committee. If it be meant only for silencing the natural Language of Freedom, for tying the Tongues and chaining the Limbs of Freemen, I give it my Negative; because I am convinced it will only exasperate and enrage. That, I own, is a good Reason why it should be adopted by the Ministry. Their System of Politicks is founded on Fear, not on Love. *Obsequium metuans* is their Motto. What a Pity it is that Fear has now changed Sides, and flutters on the military Standard!
