**FIVE POUNDS REWARD.**  
RAN away from the Subscriber living in Baltimore County, about Twelve Miles from Baltimore-Town, an English Servant Man, named William Langley, about 26 Years old, 5 Feet 7 or 8 Inches high, pale Complexion, down Look, short black Hair: Had on and took with him, a new Felt Hat, gray Fearnought Jacket, Two new Osnabrig Shirts, and Trowsers of the same, a Pair of blue ribbed Yarn Stockings, a Pair of Pumps, and a Pair of small square Steel Buckles; he can spin both Wool and Cotton, and can wash Linen well, and as he has served some Time in the Country may endeavour to pass as a Freeman. ABRAHAM PATTON.  
TAKEN up on Hill's Point, near Annapolis, in about Three Feet Water, sundry Bars of IRON marked Maryland. Whoever will prove Property and pay Charges, may have them again by applying to Edward Rickett, at Capt. Bryce's, near the Town-Gate, to be let for a Term of Years by the Subscriber, in Dorchester County, Maryland.

A Merchant-Mill on Hunting-Creek, in good Repair, with Two Water-Wheels, One carries a Pair of French Burs, double geared, hoisting and bolting Materials in good Order, with several other Buildings at said Mill. Also, sundry Farms near the said Mill, with and without Slaves, to be let: And in the Town of Cambridge, Dwelling-Houses with other Improvements suitable for Tradesmen, where such, if sober and industrious, would meet with good Encouragement. As I purpose leaving the Province next Spring, I would dispose of a Sea Sloop, that will carry about 3000 Bushels of Grain, well calculated for the West-India Trade, sails well, about Two Years old, and sheathed. Also, a small Bay Schooner, carries about 1100 Bushels; and some other smaller Crafts. As the Situation at the Mill is very convenient for a Store having Water Carriage to the Mill Tail, and a much frequented publick Road leading by it, in a good Wheat and Corn Country, any Person inclining to farm the Mill, that would keep a Store of wet and dry Goods, I think would find his Advantage in purchasing one or other of said Vessels, for which any reasonable Time would be given for Payment, on paying Interest and giving Security, if required.

N. B. Land Carriage to Delaware Landings does not exceed 36 Miles from the Mill, and Water Carriage about 80 Miles to Baltimore-Town.  
JAMES MURRAY.  
Just imported, in the Polly, Capt. John Keltie, from London, and to be sold by the Subscriber, in Church-Street, Annapolis, Wholesale and Retail, on the most reasonable Terms.

A Large and neat Assortment of European and India Goods, suitable to the different Seasons.  
THOMAS GASSAWAY, junr.  
A considerable Difference will be made to those who pay ready Cash.  
Imported likewise in said Ship, and to be sold for Cash, Bills of Exchange, or short Credit, an unopened and well assorted Cargo of European and India Goods, amounting to about 14000. Cd and Charges.

T. G. June 1, 1771.  
ALL Persons having any Claims against the Estate of Mordecai Jacob, late of Prince George's County, deceased, are desired to bring them, if legally proved, as they may be adjusted, and if those indebted to the said Estate are desired to pay.

Likewise a Lot of a Half, with a large Dwelling, and other Out-Houses near the Court-House, which from its Situation is one of the most convenient Places in the County for a Tavern, or other publick Business, with the Advantage of about Ten Acres of very good Grass Land for Pasturage, and the Privilege of getting Fire-Wood for the Use of each of the above-mentioned Dwelling-Houses, from Land contiguous to the said Town.

Henry Murray.  
To be let or leased likewise, for a Term of Years, a Farm, with the Slaves and Stock on it, about Two Miles from the aforesaid Town, on which is a good convenient Dwelling-House and Kitchen, with other requisite Out-Houses, and from its central Situation as to the County, and lying partly between Two much frequented Roads; it is very fit for a Person in any publick Way.
