Published according to Act of Parliament. The great and learned Doctor SANXAY'S IMPERIAL GOLDEN DROPS.

AFTER a very long Course of private Practice with the tender and most delicate Constitutions, the Nobility and Gentry in Great-Britain, Ireland, and many Persons eminent for Fortune and Character in America, and in the West-Indies, the Doctor has proved beyond all Doubt his Imperial Golden Drops, to be the greatest Cordial to Nature, Medicine ever produced. These Drops are composed from the finest Essence of the richest Gums and Balsams of the East and West Parts of the World; therefore, this Medicine is truly the Balsam of all the other known Balsams. It is from the combined Power, Efficacy and Virtue of these rich and natural Balsams, that these Drops are able to fortify the weak and enfeebled Parts; to give Health, Strength, and Vigour to a worn-out Constitution. So friendly is this great Cordial to the Human Nature, that it is a medical Ailment; nourishes the vital System, and prolongs Life. It is by these unequalled Virtues, that the Causes of Barrenness and sterility in Women, and Impotency in Men, are to a great Certainty removed. All rheumatic and gravelly Complaints are most assuredly relieved, and if continued for some Time, will radically cure the Disorders: Besides, all obdurate Gleet, seminal Weakness, Whites in Women, and every Weakness of the Reins and Loins, from whatever Cause proceeding, except the venereal Virus; these Imperial Golden Drops in a few Days effects a Cure. Those Patients labouring under an improper Treatment of Mercurials from unskillful Persons, in a certain Disorder, and find their Juices impoverished, will soon find their Account in the Use of these admired Drops. They who feel the secret Infirmities of advancing Years; or where the Power of Youth begins to decline, will find this Nature's grand Restorative their only Friend. It was for something like this grand Secret in Medicine, that the Fathers of Physick, the immortal Boerhaave and Sydenham laboured their whole Lives in vain to Discover for the good of mankind.

Annapolis, September 18, 1771.

THIS Day saw an Advertisement of Beles Tyre Baltrop, in the Maryland Gazette, No. 1357, which Advertisement was dated the 26th of August last, in which Piece the said Baltrop says, that a few Years ago he agreed with me for a Parcel of Land, lying in Kent County, for which I gave him my Bond for the Payment of the Money, and at the same Time he gave me his Bond for the Conveyance on my Payment of the Purchase Money; and further says, that he is ready to comply, and unless I apply to him in Thirty Days from that Date, he will dispose of the Land to some other Person; and make them a good Title; to which I must just say, that the said Baltrop must be mistaken in his Allegation, as he never has been able to comply with his Agreement to me, he having obliged himself to give me performable Possession, and a Part of the Land was only recovered at April Term last, and another Part is now depending in the Provincial Court. By my Bond to him I am obliged to pay him in Three Months after being put into the Possession as soon as he comply with his Part; I ask no Favour from the said Baltrop as the Law may give him, and request all Persons who may incline to purchase from Baltrop, to take care they are not imposed on, as I am determined to do myself Justice in my Claim to the Land.
