XVIIth YEAR.) MARYLAND

THURSDAY, JUNE 19th, 1771. ENIC E,

NOTWITHSTANDING OUR Hopes of an Accommodation between the Turks and Russians, Hostilities still continue. According to our last Letters from the Levant the Russians have debarked a Number of Troops at the Island of Tenedos, situate to the South-East of Lemnos, in order to lay siege to the Castle which defends the Port, which is very important to favour their projected Enterprise against the Islands, from whence this Place is but a few Days distant. This News is confirmed by Letters from Otranto.

July 25. Dispatches of a very private, and it is very important Nature have been sent to the Government of Gibraltar and Minorca; and all the Officers are now absent from their Quarters, are intended to return with all possible Expedition. We are informed that in the next sessions of Parliament, Prisoners for Debt will be so far relieved, as not to be obliged to give up their Effects to their Creditors, will be released from Confinement. Debtors, who have surrendered their all, will be free from Arrest. But the most severe Punishment will be inflicted on fraudulent Debtors, or such as will be detected on fraudulently Creditors. A single Shilling from their Creditors. L-1 C-1 we hear, was lately informed that he might have the next vacant Garter for himself, he answered, that when he recollected the Order upon whom the Order was hourly conferred, he thought it a Disgrace to any Man of Honour or Ability.

Lord A- was arrested on Friday last taken from his House, Old Bond-Street, of the Bench-Prison, where he remained some Days, to procure Bail, though the Debt was not considerable; but he has since been released upon the intercession of his Uncle. Letters from Poland, by Yesterday's Mail, that the Turks had attack'd a Body of 300 commanded by Prince Repnin, who were preparing to attack the Russians, after they had retreated to Bucharest, losing a great Number of Men. The Commander on the Jamaica Station, has sent home, requesting some more Ships to be sent as the Spaniards shew Signs of committing Hostilities.

Tuesday Night Orders were sent down to South and Chatham, to fit out several more Ships as soon as possible, which we hear are to be some others (fitting out there before) to the Indies, it being generally suspected that they have some Design on those Islands, which are at War within themselves, and it is pretty certain they have been the Promoters of it; it is also some of the Men of War are to be stationed Time at Virginia, and the rest at S. Carolina. It is said that the late Dispute between the Ambassador's Servants and the Constables, at the House in Crown-Court, Westminster, settled, and in all probability will be the Cause for a War, a Messenger having been sent to the Instructions how the Ambassador is to proceed in the Affair, who returned from thence yesterday. It is the Opinion of the Politicians at War France and Spain before the Expiration of Months. [London Packet.] Some Propositions of a very singular Nature, relative to the Ministry, will shortly be made to a great Personage by some leading Minority. [Ibid.]

The following is the King of Sweden's Speech, being of the Dyet, on Wednesday the 25th of July, looked upon as a Master-piece of Eloquence. MOST noble, most reverend, trusty and beloved, the Men who compose the Diet of the Swedish People. Every Thing at this present Moment, which I occupy, calls to my Mind, as it doth our great and common Loss. When the Kingdom terminated their last Assembly, in this Place a King, respected and beloved, by affectionate Subjects, and Three Scattered with them the Advantage of giving strongest Proofs of their Veneration and In the stead of a Sight so affecting, you only Three Orphans, overwhelmed with mingle their Tears with yours, and who bleed afresh at the Sight of those which your Hearts.

The Tears of Subjects are the most precious that can be raised to the Memoirs of a King. Those which you shed this Day, are that animates me to Virtue; and an
