October 1, 1771. WHEREAS Mr. Jacob Sprigg, late of Prince-George's County, deceased, did, by his Last Will and Testament, order all his Tract of Land, lying in Frederick County, called The addition to happy Choice, containing 834 Acres, to be sold to the highest Bidder, for certain Purposes in said-Will mentioned, Notice is hereby given, that on Wednesday the 19th Day of November next, at the House of Mr. Samuel Swearingham, in Frederick-Town, Frederick County, and at the Hour of Three o'Clock, the said Land will be exposed to Sale, agreeable to the said Will, for ready Sterling Cash, Current Money, or good London Bills of Exchange. The Land lies on Little Monocahsy, in said County, and I am instructed to say it is well timbered and watered; a considerable Quantity of Meadow Ground, with a good Stream of Water for a Mill; the Soil fruitful and suitable to Indian Corn, Wheat or Tobacco, and the Title good. It will be sold in Lots, or the whole together, as it may be found most to the Advantage of the Estate. The Title may be known at any Time before, or on the Day of Sale, by applying to WILLIAM T. WOOTTON, Executor.

RAN away last June, from the Subscriber, living in Frederick County, near the Great Falls of Patowmack, an English convict Servant Man, named JOSEPH JAMES, about 20 Years old, 5 Feet 9 Inches high, and has worked at the Blacksmiths Trade about Three Years; his Cloaths are unknown; he was taken up in Charles County, but made his Escape. Whoever takes up said Servant, and brings him home, if in Maryland, Four Pounds, and if in Virginia, Six Pounds, and reasonable Charges, paid by NUNIAN REALL, Son of Niman.

To be sold by Thomas Richardson and Co. at their in George-Town, PALMER'S Water, for the Stone, and expeditious Cure of the Stone in the Bladder and Kidneys, and brings it away, without any Recourse to the painful Operation of cutting and probing. On first taking this Water, the Stone appears in a red, gummy, scaly Form, on the Sides and Bottom of the Vessel, ceiving the Urine; but after taking it some Time, inside itself of the Stone comes away gradually, and at last in a sandy Substance. Those who take this Water, are desired, for their own Satisfaction, to save the Sediment of their Urine; for as they see the Quantity of the dissolved Stone that comes away, they will find their Pains and Complaints decrease in the same Proportion. This Water not only cleanses the Vessels, but the Mass of Blood, freed from all Acidities, so as to prevent the Breeding that tartarous Mucilage, from which proceeds Stone, Gout, Scurvy, Dropsy, and many other Chronic Diseases. It likewise gives immediate Relief to all Pains arising from internal Ulcers, especially in the Liver, Kidneys, Bladder, and Urinary Passages, which it soon cleanses, and effectually heals up. Persons who feel Pain in the Back, Loins or Knees, attended with Difficulty or-Pain in making Urine, Sicknefs at the Stomach, or Dimness in the Eyes, taking but Three or Four Bottles of this Water, will soon be thoroughly convinced, that the Stone of the Bladder is the Cause of their Complaints, which before, perhaps, they had spent much Time and Money, to find out the Source of, to no Purpose; as has been the Case of many People lately cured by this Medicine. In these Complaints, some have taken such violent Medicines, and such immoderate Exercise, as to make the stone come down so low, that nothing but proboscis could give them Relief; whereas, by merely taking this Water, the Stone has been softened and broken, and brought off in a short Time in Pieces of different Sizes, as may be seen by applying to the Perfected cured, who will justify the Truth hereof. Who makes this Water more valuable is the Gentleness of its Operations, which is by Urine only, and the Pleasantness of its Flavour. It never pallis or sickens the Stomach, but rather creates an Appetite; and what is very extraordinary, it requires no particular Diet or Confinement: So that the Patient may follow his Business, as if he had taken nothing. It may be taken by Persons ever so young or old; by those of the most delicate Constitution, and even labouring under a Complication of Disorders.

Persons of undoubted Veracity, cured by this Stone-Water, will be made known by enquiring of Mr. Stephen Palmer, the Proprietor, in Warwick-Court, Holbourn; or of Mr. Robert Peacock, at the Golden-Lion, near Somerset-House, in the Strand, London; whom Mr. Palmer has appointed (and him only) to dispose of the same, with himself, Price 5 s. Shillings a Bottle. At the above Places may be seen the various Sorts of Gravel and sediments extracted by Means of the said Water.
