 To be sold at Frederick-Town, on Thursday the 28th Day of May next, 6300 Acres of Land, by Virtue of an Act of Assembly of the Province of Maryland, empowering the Executors of Col. Thomas Colvill, to grant Deeds to Mr. John Semple, his Heirs, or Assigns, for a certain Tract of Land, called Merryland, in Frederick County, and Province aforesaid, containing 6300 Acres.

WE the Subscribers being Assigns of the said Semple, and having received from the Executors of Col. Colvill, sufficient Deeds for the Land aforesaid, do hereby undertake to dispose of the same, at the Time and Place above-mentioned. It is laid off into Lots, in the most advantageous Manner, so that any one of them will make One, Two, or Three good Settlements, as will appear by the Plat, a Copy of which may be seen at the Coffee-Houses of Philadelphia, Baltimore, and Annapolis, in the Hands of Cumberland Wilson, Dumfries, Adam Stewart, George-Town, and Mr. Charles Beatty, Frederick-Town, who will direct those desirous of seeing the Land, to a Person acquainted with the Boundaries, on or near the Premises, who will shew them the same; but as we intend to meet on the Spot ourselves a few Days before the Sale, in order to run the Lines, &c. those inclinable to purchase will have an Opportunity of viewing it with us, by attending from Monday the 25th, till the 28th, the Day of Sale.

This Land is very suitable for planting or farming, being well watered and timbered, no Settlement having ever been made on it, and a very good Soil; it lies along the Banks of Patowmack River, adjoining it for a considerable Way, near to Harper's Ferry, the main Road from which, to Frederick-Town (a very flourishing populous Place) runs through it, from which it is distant only about Nine Miles, from George-Town, the Sea-port of the County Forty-five Miles, and from Baltimore about Sixty-five Miles; at each of which Places a constant and ready Market may be found for all Kinds of Produce.

Its Situation on Patowmack River must be of considerable Advantage to it, and in Time may add immensely to its Value, when the Navigation is opened, which may be done without any great Difficulty for a considerable Distance; there being at present a tolerable Navigation, both below and above, it lying near the Shannandoa Falls, from whence up to Fort-Cumberland, 110 Miles, Battoes now frequently pass, and downwards to the Seneca Falls, 25 Miles, which is within 20 Miles of George-Town.—It will be sold in separate Lots, or all together, for Sterling or Current Money, as may best suit the Purchasers; one Third to be paid down at the Sale, one Third payable in Twelve Months, and the other in Two Years, giving Bond and Security with Interest, till paid.—A most undoubted Title will be made to the Purchasers, by
