

P O E T R Y
TO EVANDER—A HASTY BAGATELLE.

TELL me not of faces fair,
Coral lips or jetty hair,
Sparkling eyes, and snowy breast
Fondly heaving to be prest—
I'm for something more alluring,
Charms more lasting, more enduring;
Deck'd with which, the lovely maid
Needs no transient color's aid.—
Yet when nature's utmost care
Forms a nymph that's *wife* and *fair*;
Where each grace and beauty meet,
Making mind and shape comp'ete;
Where the heart and face conspire
Ev'ry breast with love to fire;
When we such a charmer see,
Who can gaze, and still be free?
If a nymph like this be nam'd,
Is not *Chloe's* fame proclaim'd?
Should, *Evander*, should thy friend
Prove so happy in the end,
As this treasure to possess;
(Gods! the very thought gives bliss)
Not the sceptre's golden sway
Should entice my heart astray;
Nor the blooming queen of love
E'er should make me fickle prove.
Though she, with beguiling air,
Gave me choice of ev'ry fair,
From the cottage to the throne;
Chloe I would have alone—
Chloe, loveliest of the plain,
I, by far, the happiest swain.

C L E A N D E R.

T O B E S O L D,
