*Equi pascituris proditi, locupletibus equis.*  
*Equi neglectum pueris scribiturque pueris.* Hor.  
 THE Inhabitants of Lancaster, York, Reading, and  
 Parts adjacent, are desired to take Notice, that  
 in Consequence of the earnest and repeated Solicita-  
 tions of several Persons labouring under Disorders of  
 their Eyes and Ears, and whose particular Circum-  
 stances and Situation preclude them from the Benefit  
 of applying for Assistance at Philadelphia,

Dr. GRAHAM, Oculist and Aurist, proposes  
 to be at Lancaster on Sunday, the First of November  
 next; from thence he will go to York-Town on the  
 Ninth; he will return to Lancaster on the Twelfth;  
 and continue there Two Days longer: on the Fifteenth  
 he proposes to be at Reading; and at his House in Phi-  
 ladelphia, on Tuesday the seventeenth of the same  
 Month, at which Places he may be consulted in all the  
 Disorders of the Eye and its Appendages; and in every  
 Species of Deafness, Thickness of Hearings, Ulcera-  
 tions, Noise in the Ears, &c. —Those Persons likewise,  
 who have had the unspeakable Misfortune of being  
 born deaf and dumb, and those who labour under any  
 Impediments in their Speech, by applying personally,  
 will, probably, be assisted. Those Persons whose Eyes  
 are utterly perished or sunk in their Heads; may have  
 the Deformity removed by artificial Eyes, so curiously  
 fixed and adapted to the Orbits, as to have, in Ap-  
 pearance, the Beauties, Motion, &c. of a natural Eye  
 in its healthy State.

The Structure and Diseases of those tender, sympa-  
 thetic, and nearly connected Organs, to which Nature  
 has assigned the most important Offices of Life, have  
 for many Years particularly engaged his Attention and  
 Practice; whence, regardless of vague conjectural  
 Hypotheses, he hath deduced, on rational Principles,  
 Methods of Cure, improved and confirmed by the  
 most accurate Observations in a Course of Practice;  
 the most extensive, and, perhaps, the most successful  
 of any of his Contemporaries in Europe or on this vast  
 Continent.

Th candid and intelligent Inhabitants of these Parts  
 of British America can readily distinguish true Merit  
 from pretended Knowledge: To conciliate their Fa-  
 vour, Doctor Graham begs Leave to assure them, that  
 with Tenderness and Moderation, even to the poorest  
 Individual, his best Abilities shall at all Times be ex-  
 ercised to relieve them. Since his Arrival in this City, in  
 November, 1771, Four Hundred and Seventy Patients  
 have been cured or relieved of the following Disorders;  
 many of which had been of long standing, and deemed  
 incurable by other Practitioners, even by Gentlemen  
 who otherwise do Honour to the Profession, the Mo-  
 deration and Success attending their Practice sufficient-  
 ly evincing that they are worthy and capable of the  
 great, the important Charge with which they are en-  
 trusted. The chief Disorders are as follows, viz.  
 Total, partial and periodical Blindness; Weakness  
 and Dimness of Sight; Squinting; Pain, Swelling and  
 Inflammation of the Eyes; Spots, Blisters, Pearls, or  
 Films occasioned by the Small-pox, Scars, or extrane-  
 ous Substances; weak, watery, red, spongy and ulcer-  
 ated Eye-lids; falling off of the Hairs of the Eye-  
 lashes; —(psalmic Twiftings of Mucles; involuntary  
 Weeping of the Tears; Tumours and Excrecences;  
 Fistulae ichthyales; —Total and periodical Deafness;  
 Hardness of Hearing; Pain and Inflammations; painful  
 Sensations in Consequence of loud Sounds; Cracking,  
 Itching, continual and remitting Noises in the Ears;  
 offensive Runnings occasioned by Colds, Swimming,  
 Picking and improper Applications, or by long and  
 severe Sickneses; Insects and extraneous Bodies get-  
 ting into the Ears; Ulcerations with Caries of the  
 Bones; Polypi, &c. —and several Persons born deaf  
 and dumb, who have made very considerable Advances  
 in Speaking and Hearing, inasmuch that perfect Cures  
 will probably be effected.

Those who have Occasion for Assistance are desired  
 to apply immediately, for Business in Philadelphia will  
 require his Attendance as usual, at his House the  
 Corner of Fifth and Market-Street, Tuesday, the 17th of  
 November.

N. B. The Poor who apply properly recommended,  
 will be assisted gratis, with Advice, Medicines, or  
 manual Operations, as their respective Cases may re-  
 quire; and they are desired to apply every Morning  
 between the Hours of Six and Eight.
