THE Subscriber, Attorney in Fact for Mr. Tho-

mas Philpot, of London, Merchant, has the

pleasure of informing his Friends and Correspond-

ents in this Country, that he has received Infor-

mation from Mr. Philpot, that he has settled his

Affairs in England in so favourable a Manner, that

the Creditors there will not be under any Necessity

of following his Effects here, for the Satisfaction of

their Claims. Mr. Philpot having given Security in

England according to the Terms agreed upon with

his Creditors; and that by the best Estimate the

Subscriber has been able to form of his Property in

Maryland and Virginia, there is more than enough

to discharge every just Demand which can be

brought against him, provided a moderate Indul-

gence is given, and needless Expences of Suits at

law are avoided; and the Subscriber, that he may

be enabled the sooner to satisfy all those just De-

mands, intreats the Debtors of Mr. Philpot to make

immediate Payment of the Sums they respectively

owe. If this reasonable Request is neglected,

actions will be commenced without Respect of Per-

sons. Those who have Demands against Mr. Phil-

pot, are desired to send them properly authenticated.

FORTY DOLLARS REWARD.

October 13, 1772.

RAN away from the Rev. Mr. Beucher's, in

Prince-George's County, Maryland, on Sunday

the 4th of October, a Convict Servant Man belong-

ing to the Rev. Mr. Brooke, in Stafford County,

Virginia, his Name is Samuel Gasford, he is an Eng-

lishman, about 23 Years of Age, came into Virginia

a few Months ago, in the Ship Thornion, Captain

Capland; It has been discovered since he ran away,

that this is not the first Time of his having been

convicted to America, and that he is well acquainted

with the Country Northward; he is middle sized,

rather below it, wears his own dark Hair, which

however it is not improbable he may cut off, the

better to disguise himself; he rode off a small bay

blooded Horse, trimmed with a ridge Mane, his

Foretop cut off, with his Tail bobbed short, and

has a small and remarkable white Spot upon one of

his Ears, he is thought, but not certainly known, to

be branded with the Letters IM in one Piece: The

Servant took with him a Portmanteau containing

some wearing Apparel belonging to his Master: He

had with him of his own, a blue Coat with a red

Cape, and Waistcoat of the same, together with a

Suit of brown Holland, and a Wilton Waistcoat and

Breeches, and a Pair of Leather ones; he plays to

travable well on the German Flute, which he is fond

of doing. Twenty Dollars will be paid to any Per-

son who will deliver him and the Horse to his Mas-

ter in Virginia, or Dr. Brooke in Maryland, provided

he be taken in Virginia or Maryland; Thirty if

taken in Pennsylvania, or Forty if taken in any other

Colony.

JOHN ALLAN THOMAS.

SINCE my last Advertisement, I have made, in St.

Mary's, Charles, Prince George's and Anne-Arundel

Counties, many Discoveries. Some Gentlemen, who

were desirous of taking a Trial, chose to pay 10 Pounds

on a certain Trial, or 5 Pounds in Hand, if none, to

which the Subscriber is very agreeable. He has lighted

in his Travels on more Plenty of Marl than Soil suita-

ble, which has induced him to be very careful upon

the Level he intended to bore. To make sure of the

Soil, he intends to bore 4 Inches deeper than usual, as

he is determined never to make Trial but where he

can be certain of a Discovery, from Signs below the

Surface, it being in vain to use Marl to unsuitable Soil.

And as he agrees no Purchase no Pay, but depends

upon the great Performance of Marl, which never de-

ceived the Farmer in a single Crop, let the Season run

as it would, and as some Gentlemen, as I took them

to be, paid me Five Pounds in Hand, and when I made

them a convenient Discovery refused to pay more than

half of their different Agreements; he intends to

charge them for the future at the Rate of Ten Pounds.

The Subscriber intends to discover upon the Western

Shore only, on Account of his Dwellings and Ac-

quaintance, and being an old Man, not liking the

Fatigue of a great Distance. As he has more Employ

than he can well supply, he notices to all those he has

discovered for and who have paid him, and have not a

Prospect of a Produce, if not owing to managing

contrary to the Directions given them, that he will al-

ter the Property upon the same Estate, or they shall be

repaid, as he desires no Man's Money without a many-

fold Increase of his Estate. The Subscriber is desirous

that all Men concerned may take Care of this Adver-

tisement, to prevent Controversies hereafter, for he

will stand by what is said above; as he is certain that

true Soil and true Marl will never run them in Debt,

as has been practised by millions these fifteen hundred

Years and more; many Estates having been doubled

and Purchases made accordingly by the Discovery of

Marl; so that if it fails in this Year, the Subscriber

will suffer the greatest Loss of any, and work himself

in Debt. If those who have Discoveries made, when

the Marl runs Ten Feet deep, observe the Soil to be

black, and will let the Subscriber know it, he will in-

sure them a Goalpit.

JOHN KELLY.

October 17, 1772.

RAN away from the Subscriber, living on Kent-

Island, the 11th Inst. a Convict Servant Man,

named Edward Davy, about 20 Years of Age, a

well set Fellow, about 5 Feet high, dark coloured

Hair: Had on, old blue and white Jacket, a Pair

of old Tow Trousers, and Two Tow Shirts, One

of them had no Button-holes, but in the Wristband,

old Felt Hat tarred, a Pair of old shoes; he had on

an Iron Collar when he went off. Whoever takes

up the said Servant, and secures him in any Jail, so

that his Master may get him again, shall have Fifty

Shillings Reward, including what the Law allows;

paid by ROBERT WEELEN.

FOUR DOLLARS REWARD.

polis, on the 10th Day of October, 1772, a Con-

vict Woman, named Catherine Pardon, of a middling

Size, has dark Hair, a fresh Colour, and is pitted

with the Small-Pox: Had on, when she went off,

it is supposed, a purple and white Bedgown, a pink

stuff Petticoat, and a black Bonnet; but as she took

many Things with her, it is likely she may disguise

herself, and change her Name. She is subject to all

manner of Vice, and is supposed to have gone to-

wards Baltimore. She appears to be with Child, and

is an artful deceiving Hussy. Any Person giving

Intelligence of her, so that her Master may get her

again, shall be paid the above Reward, by

CONSTANTINE BULL.

ed away. Whoever brings the said Horse and Sad-

dle, shall have Twenty Shillings for bringing Home

the Horse, and Five for the Saddle, paid by

VACHELL SEWELL.

the Knees, a light coloured English Cloth upper Jacket

with metal Buttons, an under ditto of a Snuff Colour,

the back Part of another Sort, much daubed with Tar,

black Shoes and odd Buckles: he probably may endeav-

our to pass for a Cripple. Whoever takes up the said

Runaway, and secures him, so that his Master may

get him again, shall receive, if taken Ten Miles from

Home, 20 Shillings, if 20 Miles 30 Shillings, and if

out of the County the above Reward.
