Law are avoided; and the Subscriber, that he may

Baltimore-Town, Maryland, October 20, 1772.
To THE PUBLICK.

IT is the Sentiment of the wisest and best Men, that
to adorn our Age and Nation, that the Liberty of the
Press is so essential to the Support of that Constitution
under which we have hitherto derived the Blessings of
Freedom, that it becomes every one to consider, in the
most reverential Light, this Palladium of our Rights
—in Opinion every Friend to Liberty and his Coun-
try must with universally to prevail.—And as nothing
hath a greater Tendency to secure to us that inestim-
able Blessing, than the encouraging and supporting well
conducted News-Papers, which, it is generally acknow-
ledged, dispel Ignorance, the Parent of Slavery, give a
Taste for Reading, and cause useful Knowledge to be cul-
tivated and encouraged, I flatter myself a Proposal for
establishing another publick Paper in this great commer-
cial Province, will meet with the Approbation of its
publick spirited Inhabitants in general, those of this
flourishing Town and County in particular, and be en-
couraged accordingly. The many important Advan-
tages that flow from such Institutions, are so well
known to the busy Part of Mankind, as well as to
Gentlemen of Leisure and Curiosity, that Arguments
need not be used, on this Occasion; to illustrate their
apparent Utility.

Encouraged by the polite, candid and generous In-
vitation I some Time since received from many Gen-
tlemen of the most respectable Characters, to establish
my Business in this Town, and affected with a lively
Gratitude for past Kindnesses; as well as for this In-
stance of their favourable Opinion of me, I have deter-
mined to comply with their Wishes, so very obligingly
manifested: For which Purpose, I have engaged a
suitable Printing-Apparatus, which will be speedily here,
and, under Favour of the Publick; I intend to prose-
cute the Printing Business, in this Place, in all its
Branches, both in the *English* and other Languages, in a
neat, correct and excellent Manner;—and, in particu-
lar, I now propose to publish, by Subscription, with all
possible Expedition, a Weekly News Paper, under
the Title of

THE MARYLAND JOURNAL,
BALTIMORE AND ADVERTISER.

To be printed in four large Folio Pages, equal in Size
to any of the *Pennsylvania* Papers, at the moderate
Price of TEN SHILLINGS, current Money, per Annum,
one Half to be paid at the Time of subscribing, and
the Remainder at the Expiration of the Year—to be
published regularly every Saturday Morning, unless
another Day should appear more agreeable to the sub-
scribers, and delivered immediately after to the sub-
scribers in Town, and forwarded to those who live in
the Country, and Places adjacent, by the earliest Opportu-
nities.—To contain every material Piece of Intellig-
ence, either foreign or domestic, with Accounts of the
Arrival and Departure of Ships, the current Prices of
Goods, the Course of Exchange, Deaths, Accidents,
and Events of every Kind, that may be thought inter-
esting to the Publick,—to enable myself to do which,
I have already established an extensive Correspondence,
and shall not only receive all the different Weekly
American Papers, but also the best News Papers, po-
litical Pamphlets, Registers, Magazines, and other peri-
odical Publications of *Great-Britain* and *Ireland*, as well
as the most valuable Papers of *German* Authors,—from
whence the most useful and entertaining Extracts shall
be occasionally made:—So that there will be scarce
any remarkable Occurrence, extraordinary Phenome-
non, curious Intention, or new Discovery in Nature
or Science, but what the Reader will find such Infor-
mation as may enable him to judge for himself con-
cerning it.—I shall also take particular Care to insert
all the judicious original Essays, in Prose and Verse, on
political and other Subjects, with which I may be fa-
voured by the Learned and Ingenious,—and of this I
may assure the Publick; as well as my own particular
Correspondents, that the Freedom of the Press shall
be maintained, the utmost Impartiality observed, and
every well-written Piece admitted, without Scruple,
that does not tend to destroy or impair our excellent
Constitution; injure the Cause of Liberty, disturb the
Repose of Society, give Offence to Modesty, or, in
any Shape, reflect Scandal on a *News-Paper*.

Advertisements shall likewise be accurately publish-
ed, in a conspicuous Manner, with great Punctuality,
at the customary Prices.
As those who promise more than they are able to
perform, are justly Objects of Ridicule, I should rather
with my Performance should exceed than fall short of the
Proposals; to effect which no Diligence or Attention
shall be wanting on my Side,—which will, I persuade
myself, meet in Time with a proportionable Return
from the generous Publick;—as soon therefore as I shall
obtain a sufficient Number of Subscribers barely to de-
fray the Expence of the Work, the Paper shall be pub-
lished.

Subscriptions are taken in at the Coffee-Houses in
Baltimore-Town and *Annapolis*, and by the several Per-
sons with whom Subscription Papers are left,—and I
should be much obliged to any Gentleman or Lady, in
Town or Country, for his or her good Offices in pro-
moting this my new Undertaking. I am, with the
utmost Deference and Respect, the Publick's most obedi-
ent and devoted humble Servant,
tf
WILLIAM GODDARD.
