**HENRY THOMPSON.**

Baltimore-Town, Maryland, October 20, 1772.  
TO THE P. U. B. L. I. C. K.

IT is the Sentiment of the wisest and best Men that  
adorn our Age and Nation, that the Liberty of the  
Press is so essential to the Support of that Constitution  
under which we have hitherto derived the Blessings of  
Freedom, that it becomes every one to consider, in the  
most reverential Light, this Palladium of our Rights  
—an Opinion every Friend to Liberty and his Coun-  
try must wish universally to prevail.—And as nothing  
hath a greater Tendency to secure to us that inestimable  
Blessing, than the encouraging and supporting well  
conducted News-Papers, which, it is generally acknow-  
ledged, dispel Ignorance, the Parent of Slavery, give a  
Taste for Reading, and cause useful Knowledge to be culti-  
vated and encouraged, I flatter myself a Proposal for  
establishing another publick Paper in this great commer-  
cial Province, will meet with the Approbation of its  
publick spirited Inhabitants in general, those of this  
flourishing Town and County in particular, and be en-  
couraged accordingly. The many important Advan-  
tages that flow from such Institutions, are so well  
known to the busy Part of Mankind, as well as to  
Gentlemen of Leisure and Curiosity, that Arguments  
need not be used, on this Occasion, to illustrate their  
apparent Utility.

Encouraged by the polite, candid and generous In-  
vitation I some Time since received from many Gen-  
tlemen of the most respectable Characters, to establish  
my Business in this Town, and assisted with a lively  
Gratitude for past Kindnesses, as well as for this In-  
stance of their favourable Opinion of me, I have deter-  
mined to comply with their Wishes, so very obligingly  
manifested: For which Purpose, I have engaged a  
suitable Printing-Apparatus, which will be speedily here,  
and, under Favour of the Publick, I intend to profes-  
sute the Printing Business, in this P.ace, in all its  
Branches, both in the English and other Languages, in  
a neat, correct and expeditious Manner—and, in par-  
ticular, I now propose to publish, by Subscription,  
with all possible Expedition, a Weekly News-Paper, un-  
der the Title of

**THE MARYLAND JOURNAL,**  
AND  
**BALTIMORE ADVERTISER:**

To be printed in four large Folio Pages, equal in Size  
to any of the Pennsylvania Papers, at the moderate  
Price of TEN SHILLINGS, current Money, per Annum,  
one Half to be paid at the Time of subscribing, and  
the Remainder at the Expiration of the Year—to be  
published regularly every Saturday Morning, unless  
another Day should appear more agreeable to the Sub-  
scribers, and delivered immediately after to the Custo-  
mers in Town, and forwarded to those who live in the  
Country, and Places adjacent, by the earliest Opportu-  
nities.—To contain every material Piece of Intellig-  
ence, either foreign or domestic, with Accounts of the  
Arrival and Departure of Ships, the current Prices of  
Goods, the Course of Exchange, Deaths, Accidents,  
and Events of every Kind, that may be thought inter-  
esting to the Publick,—to enable myself to do which,  
I have already established an extensive Correspondence,  
and shall not only receive all the different Weekly  
American Papers, but also the best News-Papers, politi-  
cal Pamphlets, Registers, Magazines, and other perio-  
dical Publications of Great-Britain and Ireland, as well  
as the most valuable Papers of German Advice,—from  
whence the most useful and entertaining Extracts shall  
be occasionally made:—So that there will be scarce  
any remarkable Occurrence, extraordinary Phenome-  
non, curious Invention, or new Discovery in Nature,  
or Science, but what the Reader will find such Infor-  
mation as may enable him to judge for himself con-  
cerning it.—I shall also take particular Care to insert  
all the judicious original Essays, in Prose and Verse, on  
political and other Subjects, with which I may be fa-  
voured by the Learned and Ingenious,—and of this I  
may assure the Publick, as well as my own particular  
Correspondents, that the Freedom of the Press shall  
be maintained, the utmost Impartiality observed, and  
every well-written Piece admitted, without Scruple,  
that does not tend to destroy or impair our excellent  
Constitution, injure the Cause of Liberty, disturb the  
Repose of Society, give Offence to Modesty, or, in  
any Shape, reflect Scandal on a News-Paper.

Advertisements shall likewise be accurately publish-  
ed, in a conspicuous Manner, with great Punctuality,  
at the customary Prices.

As those who promise more than they are able to  
perform, are justly Objects of Ridicule, I should rather  
with my Performances should exceed than fall short of the  
Proposals; to effect which no Diligence or Attention  
shall be wanting on my Side,—which will, I persuade  
myself, meet in Time with a proportionable Return  
from the generous Publick—as soon therefore as I shall  
obtain a sufficient Number of Subscribers barely to de-  
fray the Expence of the Work, the Paper shall be pub-  
lished.

Subscriptions are taken in at the Coffee-Houses in  
Baltimore-Town and Annapolis, and by the several Per-  
sons with whom Subscription Papers are left,—and I  
should be much obliged to any Gentleman or Lady, in  
Town or Country, for his or her good Offices in pro-  
moting this my new Undertaking: I am, with the  
utmost Deference and Respect, the Publick's most obe-  
dient and devoted humble Servant.
