

provided these gentlemen should be returned by the Libery.

A gentleman has lately made a calculation, by which it appears, that, in the space of seven years last past, 22,000 houses have been built within this city, and its environs.

St. JOHN'S (in Antigua) October 7.

We hear from St. Vincent's, that on Monday night last the Carräbs burnt the works and dwelling-house of Andrew Bruce, Esq; and on the Wednesday following burnt the dwelling-house and offices of John Le Crow, Esq; they also took a detached party of the 32d regiment, consisting of a corporal and four men, whom they killed: A scouting party of Carräbs some time before this had nearly fell in with, and taken General Leyborne prisoner.

On Thursday morning last, one of the transports arrived at St. Vincents with a party of the 31st regiment from St. Augustine in West Florida, and the rest are hourly expected, so that a general attack on these desperadoes may be every day looked for.

BOSTON, November 5.

A vessel arrived at Cape-Anne last week, and brought in a mainsail, with a cable and anchor, which was taken from the wreck of a schooner at sea; which schooner 'tis said belonged to Marblehead, Phippen; skipper, and was out on a fishing voyage: 'Tis supposed she fouled in a gale of wind, and all the crew perished.

NEW-YORK, November 16.

Capt. Leslie arrived at Philadelphia from Bristol, which place he left the 12th of September, in company with the New-York, Captain Watson, for this port; and the Grace, Captain Young, was to sail from thence for this place in 4 or 5 days after him.

Capt. Robinson arrived at Philadelphia likewise, from the Bay of Honduras, says; that on the 13th of Sept. he saw a ship; Capt. Bennison, for Glasgow, and a brig, (which we take to be the Mary, Captain Fenton,) both ashore on the Triangles, and that they had crafts along side taking out their wood.

Capt. Brass, in 52 days from St. Ubes, in lat. 38, 37, lon. 69, 8, the 25th ult. spoke with the snow Hibernia; Capt. Robinson, from Virginia, for Dublin; and the 30th, in lat. 37, 54, lon. 68, with the brig Conway, Capt. Kennedy, from this port, for the West-Indies.

Capt. Offat, in 25 days from Pensacola, informs us, that the inhabitants and garrison of that place, were in general very healthy; that Capt. Chadwick of the 16th regiment now in garrison there, was lately married to Miss Chester, the Governor's daughter; and was gone to England.

Off the Havannah, the 30th of October, Capt. Offat spoke with the ship Generous Planter, Capt. Wolf, from Pensacola for London.

The Warwick, Capt. Darrell, from this port, is arrived at Lisbon.

The Rose, Capt. Christopher Miller, sailed from hence for London last Wednesday.

PHILADELPHIA, November 11.

On Saturday last Kayashuta, the great Seneca Chief, returned to this city from Johnson-Hall; where he has been on a visit to Sir William Johnson, of the greatest importance to the colonies. The entertainment he received, when last here, at seeing a few electrical experiments, has so much engaged his attention and admiration, that we are informed, his first enquiry at his return was, whether he could not have another opportunity of seeing thunder and lightning produced by human art; and we hear he is determined to attend Mr. Kinnersley's lectures at the college, on Thursday and Friday evenings next.

The forts Chartres and Pitt are, by orders from England, destroyed, the barracks levelled to the ground, and abandoned by the garrisons, who are soon expected, as they are on their way for this city. We are assured the frontier inhabitants of this Province have presented the Governor with a petition on that subject, who has referred them to General Gage, at New-York; but we fear the application will be without success.

Capt. Gregory from Lisbon, the 17th ult. in lat. 28, long. 58, 50, spoke Capt. Job Prey, in the sloop Ready Money, from Georgia for Antigua, out 66 days, short of provisions; next day spoke a brig from Norfolk, Virginia, for Barbados, out 17 days; and the same day saw a vessel standing to the southward under jurnymails, which he supposed to be a single deck brig, she had yellow painted sides, and a green painted stern.

Next day Captain Graham, from Surinam, on the 22d ult. in lat. 26, 14, long. 66, 14, spoke a sloop, Capt. King, from South-Carolina, for St. Kitts, he also acquaints us, that Capt. Volans, in a brig from this port, was arrived at Surinam.

Captain Hood, from Bristol, spoke the following vessels, viz. on the 18th ult. in lat. 37, 2, long. 56, 40, spoke the ship Elizabeth, Capt. Samuel Brownford, from Virginia, for Bristol, out 14 days; On the 31st, in lat. 37, 59, long. 70, spoke a brig, Capt. James Jennery, from New-York, for Antigua, out 8 days; On the 4th inst. in lat. 35, 22, long. 73, 23, spoke the ship Lark, Capt. Powell, from this port, for Hispaniola, out three days; and on the 6th, in lat. 35, 10, long. 74, 23, spoke a sloop, from Virginia, for the West-Indies, out 1 day, all well, but it blowing fresh, he could not learn the master's name. Captain Hood informs us, that the ship Mary, Captain Smith, was expected to sail in about a fortnight after him, for this port.

Captain Green, from Providence, sailed in company with the schooner Sukey, from that port for Boston, and parted with her on the 11th inst. in lat. 27, 59, long. 79, 20, on the 6th inst. in lat. 31, 47, long. 8, 27, spoke a brig Capt. Styles, from Bermuda for

Georgia, out 10 days; and off the 9th, off of Cape Hatteras, spoke a schooner Capt. Samuel Davis, from Port Au Prince, for Virginia, out 15 days; who informed Capt. Green that the day before, he spoke a brig, from Jamaica, for this port, out 8 weeks.
