To THE PUBLICK.

20th August, 1772.  
A STAGE from the City of Philadelphia to Baltimore-Town is now erected, very convenient for Persons travelling, or transporting Goods or Luggage to or from either Place, which will regularly go from the respective Places, at the Times and for the Rates hereafter mentioned. The Wilmington Stage Boat, kept by Bush and Feudry, leaves the Crooked Billet Wharf in Philadelphia every Wednesday, and generally arrives at Wilmington in a few Hours; the Charles-Town Stage Waggon, kept by Patrick Hamilton, leaves Wilmington every Friday Morning, and arrives at Charles-Town the same Day; and the Charles-Town Packet, kept by said Hamilton, leaves Charles-Town every Saturday, and frequently arrives at Baltimore the same Day; so that Passengers have a greater Certainty of travelling to and from Philadelphia in these Stages, and with less Expence, than in any other. On the Return, the Charles-Town Packet leaves Baltimore every Tuesday, the Stage Waggon leaves Charles-Town every Thursday Morning; and the Stage Boat leaves Wilmington every Friday. Passengers from Philadelphia to Wilmington pay Two Shillings each, from Wilmington to Charles-Town Five Shillings each, and from Charles-Town to Baltimore-Town Four Shillings each; Luggage in Proportion: As Wilmington is within Three Miles of Delaware River, and Charles-Town about 3 Miles from Susquehanna and 8 Miles from the Mouth of Elk River, our Boats are very seldom, if ever, detained by low tides or contrary winds, a disadvantage which some other Stages from Philadelphia to Baltimore labour under. The Certainty of this Stage and moderate Rates will, it is hoped, induce the Publick to encourage so useful an Undertaking. And as Charles-Town is situated within Thirty-six Miles of the Town of Lancaster, a proper Encouragement of this Scheme may be a Means of promoting a useful Stage between Baltimore and Lancaster, by the Way of Charles-Town, at a very moderate Expence.

The Publick may be assured, that the greatest Care and Punctuality will be observed by the Undertakers.

Orders left with Mess. Smith and Flanagan, or Mr. William Neill, Merchants in Baltimore-Town, or with Capt. Thomas Elliott at Fell's-Point, shall be executed with Fidelity. (3m)

SUCH of the Inhabitants of the Counties of St. Mary's, Calvert, Charles and Prince-George's, who approve of the Plan of uniting the Schools of those Counties, are requested to meet at Benedict's Town on Tuesday the 15th of December, to consider farther on the most proper Expedients to carry this useful Plan into Execution: The Gentlemen who were commissioned to view the several Places thought of for the Situation of the proposed Seminary will then attend, and assign the Reasons why they have given the Preference to the Place known by the Name of The Cool Springs, which they trust will meet with general Approbation. In the mean while Subscription Papers will be handed about by Gentlemen of the Counties concerned; and an Opportunity afforded to such who are disposed to promote this beneficial Design.

THE Judges of the Land-Office having represented to his Excellency the Governor, that there are a great Number of Certificats in their Office unpatented, many of them are returned by virtue of Warrants, which issued more than Two Years ago; and others where the Two Years are near expiring; His Excellency being desirous that those who purchased Warrants in the Lifetime of the late Lord Proprietary, should have the Benefit of such Warrants, has directed them to give publick Notice, that Patents are made out as usual, and that Applications for Warrants under the Proclamation will be received, and the Warrants issue to the first Discoverer, in preference to any other Person, whenever the Office shall be opened.

Signed per Order, WILLIAM STEUART, Ch. Ld. Office.
