TO BE SOLD BY THE SUBSCRIBER,
THE plantation or tract of land whereon he
now lives, containing about 15 hundred acres
ore or less, with all and singular the improvements
thereon; there are a convenient and well built brick
welling house 45 by 35, a large and convenient
itchen, a new barn, and several good tobacco
ouses, a new stable, store house, and many other
ouses too tedious to mention, a large and commo-
ious garden well paled in, an extraordinary good
pple orchard of the best kinds of fruit, and several
enements in good repair. There are two grist mills,
viz. a new and well built geare mill, a breast com-
pleatly finished, with a fine pair of large Cologn
ones, a bolting chest well fixed and in good order,
with a compleat set of bolting clothes, a tub mill
ith two pair of large Cologn stones, about 3 years
ld, all in good repair; the mills have gained by
he toll 10 bushels of grain per day ever since the
ew mill was finished, which was in March last, and
could do much more if plenty of work; there are about
0 acres of well improved meadow in very fine ti-
mothy, and 4 or 5 hundred acres more may be
made, as there is that quantity of bottom land,
with a fine stream of water through it. There is
large and convenient piece of tobacco land suffi-
cient to make 40 hogsheads of tobacco per year,
corn field, likely to make this year 5 hundred
barrels, all under good fence, which the purchaser
may have liberty to sow grain in this all, and
which is extraordinary good for wheat, and will
think produce as much to the acre as any land in
the province; there is plenty of good pasture ground,
and convenient to the houses; there is no incum-
brance upon the land, except that of my being se-
curity to the office in Annapolis for some money,
which the purchaser may take upon himself in part
of pay for the land. Any one inclinable to purchase
may view the lands and know the terms any time
before the 15th instant, as I shall be at home, and
likewise all the first of next month. The land is
pleasantly situated in St. Mary's county, about two
miles from Leonard-town, and about five from Cole's
warehouse upon Patuxent; and the houses are upon
fine piece of rising ground, in sight of most of the
best lands. Twelve months credit may be had for
great part of the purchase money, upon paying in-
terest; and as I intend to leave this province next
spring, I must desire all indebted to me to make im-
mediate payment, otherwise they must expect to be
be dealt with as the law directs, and those to whom
am indebted may depend upon as speedy and as
agreeable a payment as possible,
By their humble servant,
w2 ATHANASIUS FORD.

THE subscriber, living in Westmoreland county
in the colony of Virginia, having been im-
powered by an act of assembly of this province, to
sell and dispose of the lots, buildings and improve-
ments whereon John Morton Jordan, Esq; deceased,
lately resided, hereby gives notice, that he will dis-
pose of the same, agreeable to the trust in the said
act mentioned, by private sale, to any person or per-
sons inclinable to purchase them, at any time be-
tween the date hereof and the 29th day of Septem-
ber next ensuing, at which time (if not before dis-
posed of) they will be exposed to publick sale upon
the premises, between the hours of 10 and 12 in
the forenoon. The terms of sale and the time of
credit will then be made known by
ts WILLIAM BERNARD.

WHEREAS the subscriber did, on the 11th of
April, 1769, pass his bond to a certain
Richard Linthicum, for 1 hundred and 20 pounds
sterling, which bond has been fully discharged;
this is to forewarn all persons against taking an
assignment of the same.
RALPH BASIL.

Fredericksburg, Virginia, June 28, 1773.
THE subscriber has for sale the following tracts
of land in Fairfax county: one on Pohick run
about 5 miles from Colchester, and the same distance
from Pohick warehouse, containing 957 acres, the
other on Four Mile Run, about 4 mile from Alexan-
dria, containing 1225 acres; the soil of both is stiff and
well suited to wheat; the last tract is very level;
both have a sufficiency of exceeding good meadow
ground unimproved, and very valuable mill seats.
It being very inconvenient for me to attend at such
a distance, Col. George Mason, of Gunston in Fair-
fax has the plats and title papers, and is so obliging
as to accept a power of setting the terms with any
person inclinable to purchase.

IF a certain Charles Vesey, who came into this
province about the year 1752 as an indented
servant, in quality of a gardener; be still alive,
and will make application to Mr. Robert Couden,
merchant in Annapolis, he will hear of something to
his advantage.
P. S. If any person can give satisfactory informa-
tion respecting said Vesey, whether dead or alive, he
will be handsomely rewarded for his intelligence,
upon applying as above. 3w

negro man named Tom, about 30 years of age, 5
feet 2 inches high; had on when he went away, an
osnabrig shirt, an old pale blue German serge jacket
without sleeves, patched on the back with white, and

cures him in any jail, shall have 15 shillings reward
if taken up in this county, if out of the county 30
shillings and reasonable charges if brought home,

belongs to Mr. Benjamin Lane of Anne-Arundel
county, on the Western shore; he was formerly the
property of Mr. Thomas Lane of Talbot county;
his said master is hereby required to take him away
and pay charges. Rhemus, a short well set fellow,
5 feet high or thereabouts; has on an old Dutch
blanket coat, which has been bound round with
yellow, an old pair of negro cotton breeches, and
an old osnabrig shirt; he was in this jail, and dis-
charged by Mr. Benjamin Kirby of Kent Island,
some time last November; he says he belongs to one
Mr. Lloyd Johnson, of Anne-Arundel county, on
the Western shore, who is desired to take him away
and pay charges to

COMMITTED to the jail of Charles county as
a runaway, a negro man, who calls himself
Simon Piper, and says he belongs to John Hunter,
about five miles beyond Frederick-town in Virginia.
He is a likely fellow, about 5 feet 4 inches high,
well set, of a yellow complexion, the little finger on
his left hand crooked; has on, and with him, an
old light coloured broad cloth coat, trimmed with
silver basket buttons, an old jacket of the same
with the back parts of shalloon, a pair of black serge
denim breeches and a pair of osnabrig trousers over
them, an old fine white shirt and an osnabrig ditto
over it, and an old caster hat. The owner of said
negro is desired to take him away and pay charges
to

Prince George's county, June 23, 1773.
COMMITTED to my custody as a runaway, a
person who calls himself Francis John Salmon,
a well made man, about 23 years old, 5 feet 4 or
5 inches high, gray eyes, dark brown hair, which
he wears short, and it curls naturally; says he is a
free man, that he kept school some time in Essex
county in the Jerseys, and also that he lived some
time with Mr. James Boyd, merchant, at Cohansie
bridge in Cumberland county in the Jerseys, from
whom he shews a letter of recommendation to Mr.
John White, merchant in Philadelphia; he shews
also a letter signed James Shields and John White,
recommending him generally to the merchants in
Maryland, but as the bodies of those letters appear
to be wrote in the same hand, it is supposed they
are forged. His master, if he has one, is desired to
pay charges and take him from

THERE is at the subscriber's store, on Wicomico
river, a case, supposed to contain looking-glasses,
marked H E, N. 1. also three faggots of A. C. steel,
in the same mark; these goods were imported in Oct.
1771, in the ship Emperor, Capt. Lockerill, from Lon-
don to Rappahanock, and shiped by Mr. John Bell of
London, Merchant, and brought to Somerset in the
schooner Polly, John Parker, master. It was then
imagined these goods were either for Somerset, Dor-
chester, or Worcester, and have been often advertised
in these counties, as yet there has not any owner ap-
plied for them; I therefore conclude they were
brought through mistake from Virginia. The owner
is now requested to prove his property, produce his
bill of lading, pay charges, and take them away.

To be rented, for a term of years,
THE mills at the falls of James river, in the
town of Manchester, which consist of a double
sawmill, a gristmill, with two pair of stones, for
country work, which is worth about 400 barrels of
corn the year, a merchantmill with four pair of best
French burstones, and all conveniencies necessary
for carrying on the manufacturing business in the
best manner; likewise a good dwelling-house, with
two rooms on a floor, and a cellar and large fireplace
in it; as also a large store-house, cooper's shop, sta-
ble, blacksmith's shop and tools, and a lot of two
acres and a half enclosed about the works. The
stream affords water enough for as many more mills,
and the works are so situated that they are out of
danger from freshes, having never received any da-
mage but from the unparallelled one in May 1771.
These works, being placed within a few yards of na-
vigation, and in the most flourishing part of the
country, where any quantity of wheat may be pur-
chased, the business of manufacturing, as well as
the West India trade, may be carried on to as great
advantage as any where on the continent, and a
ready market may be had for any quantity of plank,
scantling, &c. The saw and grist mills are now
finished, and the merchantmill will be finished by
the 1st of September next. Any person inclinable
to rent the said works, may know the terms by ap-
plying to 6w JOHN MAYO.
