RICHARD HENDERSON.

To be sold by the subscriber in Bladenburgh,
A VALUABLE tract of land, lying in Frede-
rick county, about ten miles above Bladen-
burgh, and near the same distance from George-
Town, containing 300 acres, well improved, with
a good dwelling house, kitchen, quarter, tobacco
house, corn house, stables, and a good garden well
paled in, with very large apple, peach, and cherry
orchards. Any person inclinable to purchase, may
know the terms and view the land by applying to
W 4 WILLIAM MURDOCK.

To be sold to the highest bidder,
TWO hundred and twenty-five acres of land,
about a mile from Upper-Marlborough Town
in Prince-George's county; the land is much level-
than most of the land in that part of the county; I
think there is fifty acres of wood land belonging to
it, which abounds with firewood and very fine
fencing stuff, and I think there is shingling stuff
enough on it to build a tobacco house, dwelling
house, &c All that have a mind to see the land
before the day of sale, if they will call on me I will
shew it. The sale will be on the 5th of next month,
(October) at the house of Miss Bradly, near Marl-
borough. ROBERT TYLER.

THE subscriber having lately purchased a tract
of land, nearer and more convenient to him,
will sell or rent on reasonable terms, several ad-
joining tracts of land, which form one very com-
plete body of 1800 acres, lying on the head of Red
Lion and Beaver Dam branches in Queen-Anne's
county, convenient to church and mill, within 8
miles of the head of Chester river, where there is a
constant cash market for every kind of grain, seven
miles from a tobacco warehouse on the said river,
and 22 miles from a landing on Delaware bay.
These lands extend to a place known by the name
of the Beaver Dam Causeway, a very publick situ-
ation for any kind of business, there being from
thence main roads leading to Chester-Town, Head
of Chester, Dover, and Hopper's mill, formerly
Dockery's. They are capable of great improve-
ment, and much having been already done in that
way, they would be immediately profitable either to
tenant or purchaser, and having full 300 acres of
fine meadow grounds that may be drained at a small
expence, and some of which are already well im-
proved, a plenty of fine timber, and all the advan-
tages of raising stock that an excellent range can
afford, it is almost unnecessary to point out the fu-
ture value of them to the publick, who are well ac-
quainted with the continuing rise of landed prop-
erty. They will be disposed of together or in parcels,
as will best suit purchasers or tenants, and if other
terms can be agreed on, purchasers may have a long
day of payment on paying interest. Those who
may incline to buy or rent, will please apply to
T F THOMAS RINGGOLD.

I want as a clerk, to whom I will give good
wages, a person who writes a good hand, under-
stands book-keeping, and can be well recommended
for his honesty and diligent attention to business.

To be sold to the highest bidder, at the dwelling
house of the subscriber, living in Prince-George's
county, on the third Monday in October next,
(unless disposed of in the interim at private sale.)
PART of that very valuable tract of land, called
Penfield Chase, lying in the county aforesaid,
adjoining Bell-Air, and containing upwards of 560
acres, whereon are a negro quarter and three tobacco
houses; it is situated very commodiously, being
only 4 miles from Queen-Anne, 10 miles from Up-
per-Marlborough, 12 miles from Bladenburgh, and
about 16 from Annapolis. The soil is exceedingly
rich, and suitable to either planting or farming; it
is well watered and affords the best of pasturage.
There are about 30 acres of fine meadow already
cleared, and as much more may be easily made.
About half of the tract is woodland, and well set
with timber; the remainder is in pasturage and cul-
tivation, and under good fence. Its beauty and fer-
tility would be best discovered by a view of it: in a
word, it would make a delightful country seat for
any gentleman inclinable to purchase one. The
terms and title (which is indisputable) may be
known, and the land seen at any time between this
and the day of publick sale, by applying to
Sept. 1773. JOSEPH SPRIGG,

N. B. At the place and time aforesaid will be ex-
posed to sale, about 60 head of cattle, 100 head of
sheep, as many hogs, and sundry valuable horses.

To be rented, at Leonard-Town in St. Mary's
county, and may be entered upon the first of next
January.

A LARGE convenient house in good repair,
well calculated for publick house keeping,
with other houses necessary, the property of Col. A-
braham Barnes.

At which place good encouragement will be given
to any person of fair character, coming well recom-
mended, and capable of carrying on and managing
a good publick house; there will be six constant
boarders for the year. Any person inclinable to
rent the said house, are requested to make early ap-
plication.

September 5, 1773.
Just imported, in the Lovely Kitty, Capt. Howard,
from London, Assortments of winter goods for my
several stores;

BY the above vessel I have letters from my part-
ner Mr. Hobson, at London, dated in July,
advising me of his health and welfare, which I take
this method of communicating to our friends. The
first of our ships that arrived, would be immediately
dispatched with the goods ordered; good tobacco,
bright and of colour would answer; but such vast
quantity of light ordinary ill-conditioned and trash
tobacco is sent home, as greatly to hurt the market,
and if continued, will totally ruin it, and all con-
cerned. The Somerset, Capt. Robinson, takes to-
bacco consigned to West and Hobson, and will be
immediately loaded. I have ordered insurance as
usual. No trash tobacco will be taken on board this
ship if known to be such.
