desired by a friend to offer to publick sale the next Nov. court in Frederick-Town, or when I am to sell the land conveyed to me in Hilleary, a tract of land on Seneca, York Grubby Hill, containing 305 acres in this land is near the White Grounds, and so to as good a range as any in the county, a fine place for a mill on it, with abundance of timber convenient thereto. I am also inclined to say, that there are 14 or 15 acres of fine land, and two pieces of good level high about 50 acres in each, separated by a ring of poor land, from which I conclude, placing the buildings on that small rising, the two pieces of 50 acres each, and in the meadow, such a stock might be wintered should soon make it valuable for a small farm, cattle usually come in fat at the fall. And expect that industrious men from St. Mary's, who have laid up money during the good times, and are tired of paying rent, bidders, therefore credit will be given for all such money but ninety pounds sterling.

Just imported, in the Lovely Kitty, Capt. Howard, from London, Assortments of winter goods for my several stores;
BY the above vessel I have letters from my partner Mr. Hobson, at London, dated in July, advising me of his health and welfare, which I take this method of communicating to our friends. The first of our ships that arrived, would be immediately dispatched with the goods ordered; good tobacco, bright and of colour, would answer; but such vast quantity of light ordinary ill-conditioned and trash tobacco is sent home, as greatly to hurt the market, and if continued, will totally ruin it, and all concerned. The Somerset, Capt. Robinson, takes tobacco consigned to West and Hobson, and will be immediately loaded. I have ordered insurance as usual. No trash tobacco will be taken on board this ship if known to be such.
