No. 1. which I imagine is landed either on the Eastern shore or at Annapolis, and for want of knowing the owner is not yet come to hand. This is to request those in whose care it may be to give speedy notice thereof to the subscriber, on Patuxent near Pig Point.

RICHARD GREEN.

West River, Sept. 27, 1773.

THE subscriber gives this publick notice, that he has a good new boat, 28 feet keel and 12 feet beam, to cross the bay with passengers, their carriages and horses, into Talbot county, Kent Island, or Dorset, or to any part of the head of the Bay. As I the subscriber have kept ferry for these 20 years and upwards, and have given general satisfaction, I hope it will encourage gentlemen, &c. to continue their favours. Pasturage and lodging gratis. There is another good boat kept by William Webb Hadaway, in Talbot county, Bay side, to carry passengers, their carriages and horses, to West River, or any part of the Bay.

September 27, 1773.

STRAYED or stolen from Mr. Hesselius's on the 19th instant, a bright bay gelding, 14 hands high, branded on the near buttock I. D. trots and gallops, has a hanging mane and switch tail. Whoever brings the said gelding to Mr. Reynolds in Annapolis shall receive two dollars reward, paid by WILLIAM WILKINSON.

JOHN M'GINNIS, SURGEON-DENTIST,

Lately arrived from EUROPE;

TAKES this method of acquainting the ladies and gentlemen, and the inhabitants in general of this part of British America, that he performs the different operations on the teeth and gums, and prepares his inimitable tincture; which in ten days cures the scurvy in the gums, be it ever so inveterate or long standing, it takes away that nauseous complaint called a stinking breath, which generally proceeds from decayed teeth, scorbutic gums, or neglecting to keep them clean; it beautifies the teeth, let them be ever so black, cleansing them from those sandy tartarous particles that adhere to them; which occasion rottenness, and bring on frequent tooth-aches; a few times using will show the excellency of this dentifrice, more than if a volume was wrote in its praise. He likewise prepares a powder which polishes the teeth, giving to them and preserving the most beautiful enamel. What can be more useful or ornamental (especially to the fair sex) than a set of regular and beautifully polished teeth, embraced by sound and healthy gums?

As he makes but a short stay in these parts, he recommends to the publick to make speedy application.

His tincture and powder is sold at the small price of 6s. with printed directions; and if any person use this tincture above three or four times, without perceiving a visible and satisfactory prospect of being soon cured, they shall have their money returned on application.

Any person troubled with the tooth-ach or head-ach will in a few minutes be relieved. Ladies and gentlemen who labour under any of these disorders, and are pleased to favour him with their commands, will be attended on the shortest notice.

The poor, tormented with the tooth-ach, cured gratis.

N. B. Orders will be received by Mr. M'Ginnis, at the house of Mr. John Brewer on Corn-bill-street, where he now lodges, and will give due attendance from 8 o'clock in the morning to 6 in the afternoon.—His stay in this city will be only till the 10th of November.

Large allowance to those who buy to sell again.

TAKEN up by Richard Johns, at West River, a black horse, about 14 hands high, branded on the near buttock S, has a switch tail and mane. The owner may have him on proving property and paying charges.

RAN away from the subscriber, living in Charles county, a servant boy called Hooper Bennett, about 19 years of age, slender make, about 5 feet 3 inches high, light coloured hair, which he generally wears in a slovenly manner; pale fallow complexion, speaks quick; and is by trade a barber and hair dresser: had on when he went away a brown short skirted coat, red waistcoat, and olive coloured velvet breeches, though it is supposed he may have now changed his dress. He has the appearance of a country born boy, and therefore will not be readily taken for a runaway. He has been gone above four months, and was seen last July at Leonard's creek in Calvert county, and it is supposed he is now either in that or St. Mary's county. Whoever brings said servant to the subscriber, or secures him in a jail, so that the owner may have him again, shall receive forty shillings, paid by RICHARD LEE

WHEREAS the subscriber has obtained patents for near six thousand acres of land, thirteen hundred of which upon the banks of the Ohio; beginning at the second large bottom below the mouth of the little Kanhawa; and four thousand two hundred about two miles above Col. George Washington's ten thousand acre tract upon the banks of the great Kanhawa; he proposes to divide the same into suitable tenements as may be desired; and lease them upon moderate terms, allowing a reasonable number of years rent free, provided within the space of two years from the last of October next; three acres for every fifty contained in each lot, and proportionably for a lesser quantity shall be cleared, fenced, and tilled; and that by or before the commencement of the first rent, five acres for every hundred, and proportionably as above shall be enclosed and laid down in good grass for meadow, and that at least fifty good fruit trees shall be planted on the premises. Any person inclinable to settle on those lands, may be more fully informed, by applying to the subscriber near Port-Tobacco, and would do well in communicating their intentions before the first of November next, that a sufficient number of lots may be laid off to answer the demand. The land is well watered and very rich, abounding with fine fish and wild fowl of various kinds.

JAMES CRAIK.

Whoever takes up the said servant, and brings him either to John Plummer, overseer on the above-said plantation, or to the subscriber living in Anne-Arundel county, near Elk-Ridge church, shall have the above reward for their trouble, besides what the law allows, paid by HENRY RIDGELY.

THE subscriber having declined the business of store keeping for some time, begs leave to request all persons that have dealings with him to settle their accounts without loss of time, otherwise he will be obliged to take such steps as the law directs. He has still on hand about £. 300 sterling cost of goods, which he will sell upon reasonable terms, and may be seen at Mr. Aikman's store, next door to Mr. Joshua Frazier's.
