

Resolved therefore unanimously, that the inhabitants of this county will join in an association with the principal counties in this province, and the principal counties in America, to put a stop to exports to Great-Britain, after the 9th day of October, or such other day as may be agreed on, and of those ordered that shall not be shipped to Great-Britain by the 20th day of July next, or any day as may be agreed on, until the said act is repealed, and that such association be on oath.

Resolved, that as remittances can be made in exports, after stopping the exports to Great-Britain and the West-Indies, it will be impossible for any of the people of this province who are possessors of valuable property, immediately to pay off their debts, and therefore it is the opinion of this meeting, that the law ought to be so amended, as to give the creditor of any debt, due from any inhabitant of this province, to any inhabitant of Great-Britain, until the said act is repealed; and further, that they ought not to sue for the recovery of any debt, due from any person in this province, except in such cases where the debtor is guilty of a wilful delay in payment, having a way, or is about to abscond or remove his effects, or is waiving his jubtance, or shall refuse to set-off his account.

Resolved, that it is the opinion of this meeting, that the Congress of deputies from the several counties to be held at Annapolis, as soon as convenient may be, be the most speedy and effectual means of uniting the parts of this province in such association as shall be agreed on, and that if agreeable to the sense of our constituents, delegates ought to be appointed from this province to attend a general Congress of deputies from the several colonies, at such time and place as may be agreed on, to effect unity in a wise and prudent plan for the promotion of the said purpose.

Resolved unanimously, that the inhabitants of this province ought to break off all trade and connection with that colony, province, or town, which shall refuse to come into similar resolutions with the rest of the colonies.

Resolved, that Brice Thomas Beale, William Charles Carroll, John Hall, John William, Samuel Chase, Thomas Johnson, jun., Matthias Anderson, Thomas Sprigg, Samuel Chew, John Thomas, Thomas Dorsey, Rezin Hammond, John Jones, jun. be a committee to attend a general meeting at Annapolis; and of correspondence to receive and answer all letters, and on any emergency to call a general meeting, and that any six of the number have power to act.

Resolved, that a copy of these resolves be transmitted to the committees of the several counties of this province, and be also published in the Maryland Gazette.

By order,
JOHN DUCKETT, Cl. Com.

TO THE PRINTERS.

Be protest in your paper of last week (by which the fence of this city is clearly fixt) has only been made with impudent calumnies and silly comments, in the midst of tumult and confusion; it is almost impossible to observe, that the said protest is addressed to the world, and challenges an appeal, in a form, as full and as full, to the same impartial tribunal. The whisperer malignant will only serve to strengthen its foundation in the judgment of every candid man. The idle declamation cannot affect it but in the opinion of the rash and weak of the narrow circle, to which it is confined; and the infamy of those who attempt possible THREATS to terrify freemen into a submission of their avowed sentiments, excites more indignation than contempt.

A PROTESTER.

NOTICE is hereby given, that a number of vessels will be wanted this Summer, to bring about 5000 tons of stone from Mr. Brook's quarry on Rappahannock, and land the same on Cape Henry, for the light-houses; any person inclinable to engage in such work, are desired to treat with Matthew Philipp, Paul Loyall, and Thomas Newton junior, Esquires. The directors of the lighthouse, will also be glad to purchase one or two flat bottomed vessels, from eighty to one hundred and twenty tons burthen.

BASSETT MOSELEY, CLK.

As there are several hundred pounds standing debts upon the books of the late James Innes deceased, and as Joseph Mullin has taken upon him the administration of the said James Innes's estate, the stock for these three or four months has been left without correction; any thing to support it, by which it is greatly diminished; that had the debts due upon the books been published in the gazette, people might have settled by this time, or have given sufficient security by bond, note, &c. I can guess the design, there is an old standing bond, which the aforesaid Joseph Mullin has in possession, signed Camden and Innes, which he charges me with by being in partnership with the said Innes; I hereby deny all partnership with the said Innes; and can make it appear, and can prove I never received any money by such partnership, never bought any thing, or gave any orders from under my hand, for rum, sugar, &c. and can make it appear there has been between two and three hundred pounds paid since the date of the bond.

It is requested by some of the inhabitants of Prince George's county, that a meeting be had at Uppers Marlborough, on the 18th of this instant, to consider what measures will contribute most to secure the liberty of the people of America, and support the Bostonians, who are now suffering in the cause of liberty.

Eden's ship; he has returned from thence and has not returned the mare; she paces naturally and very short, feeds straight, and runs fast; he showed a letter of recommendation from one Ruggles of Boston, on enquiry I have reason to believe, that he has made off to Virginia. Whoever will stop the mare and saddle shall have three pounds reward, paid by

STRAYED or stolen from the subscribers plantation, near West River, in Anne-Arundel county, on Tuesday night the 24th ult. a dark bay mare, five years old, about fifteen hands high, has a black mane and tail, a small star in her forehead, is branded on the hocks of her feet all round with the letters W I, paces and trots well. A WARRANT of 2000 acres of land, granted by his lordship the governor of Virginia, directed to the surveyor of Fincastle county, to be laid on some of the western waters. If any gentleman is inclinable to purchase, not liking that county, by sending the warrant to his lordship, he will direct it to any other county. The subscriber being pretty well acquainted with most part of that country, doubts not but in a few years it will be very little inferior to any on the continent; nature has been so kind, that it is surprising to every person who hath seen it. I was informed not long since, by several gentlemen of Virginia who were surveying down the Ohio last fall, that they came across several salt springs, and by boiling six or seven gallons of its water, got near two quarts of fine salt. I am acquainted with gentlemen that are principal surveyors of the frontier counties of Virginia, who have wrote me, if it would not suit to come out myself this summer to see my land laid out, on my sending the warrant, they would have it executed in the best manner they could on the main river Ohio. Any person inclinable to purchase the whole, or part, may have it on very reasonable terms.

BARTON LUCAS.
Lick Ridge, May 28, 1774.

A VERY valuable country born young negro man, white servants, sundry horses, breeding mares and colts, cattle, part of them valuable cows and calves, hogs, remarkable fine sheep, good feather beds, and other household furniture, plantation utensils of all kinds; and sundry other things too tedious to mention.

EDWARD GATHER, jun.
ARCH. MONCREIF.

On the same day will be sold at public vendue, by Edward Dorsey, son of John, the said Linthicum's land, containing about 230 acres, which is very valuable, and well adapted for farming or fine tobacco; is remarkable for range and meadow ground, and has sundry good improvements, such as dwelling house, kitchen, barn, and other out houses.

On the same day will be sold at public vendue, by William Peddicourt, jun. about 200 acres of land, being part of the aforesaid tract, lying adjacent. The lands will be sold together or separate, as may best suit the purchasers. The two parcels containing about 450 acres, will make as complete a settlement as any in Anne-Arundel county, for the quantity of acres. Any person or persons inclinable to purchase, may view the premises before the day of sale, by applying to Mr. Peddicourt.

THE subscribers finding that very little regard has been shown to their former advertisements; give notice, that all persons indebted to Mr. John Buchanan, merchant, in London, or to Mess. John Buchanan and son, and who shall neglect to pay what they owe, or to settle, and secure the same by the last day of this month, will immediately thereafter be sued. And all the creditors of Mr. John Buchanan, or of Mess. John Buchanan and son, are desired to apply to us for payment of their debts, not to draw bills on the house at London, which will not be paid on account of many inconveniences already experienced.
