by virtue of a writ fieri facias to me directed, will
be publicly sold to the highest bidder, on Monday
the 22d of August next, at three o'clock in the af-
ternoon,
A LOT of land lying in the city Annapolis, dif-
tinguished by the number 71, on which are a
good brick dwelling house, and other valuable im-
provements, now in the occupation of Mr. John Ball,
inholder. This lot is subject to an incumbrance in
the Loan-office of £ 225 sterling.

Likewise will be publicly sold to the highest bidder,
on Saturday the 27th day of August next, at eleven
o'clock in the forenoon, one undivided moiety of the
following tracts of land, lying in Anne-Arundel
county, on the north side of Severn, to wit, Green-
bury, Range, Baker's Range, Askewton or Askerton,
and Lum's Addition: the quantity of acres will be ascer-
tained and made known on the day of sale. These
tracts are conveniently situated near the city of Anna-
polis, and are now in the joint tenure and occupation
of Jonathan Pinkney, and Benjamin Wright. The
sale to be on the premises.
N. Roberts WILLIAM NOKE sheriff.

A valuable sale of LANDS.

TO be sold, a tract of land in Berkely and Frede-
rick counties, containing 12,076 acres; it lies
seven miles on each side of Shenando river, the quan-
tity on the east side, being only a slip of low ground,
inconsiderable; the quality of the land is remark-
ably good, and the conveniences attending it great.
There are two plentiful streams of water running
through marshes three miles in length, some of which
are already reclaimed meadows, and the rest, at a very
small expence, might soon be reduced to the like
state. On each side of the streams, mills might be
erected and furnaces, the land affording stone, lime,
iron, and lead ore. On one of the streams I have al-
ready erected a complete merchant mill, with a pair of
the best French burrs for grinding of wheat, and a
pair of common stones for grinding of Indian corn;
besides this, there is near the dwelling-house a tub-
mill, and on the other stream there is a valuable saw
mill. There are five settled and improved plantations;
in one of them is a good stone house, two stories high,
with two rooms on a floor, a kitchen, dairy, and all
their convenient out-houses; on another plantation
where Michael Pike lived, there is a good stone house;
and at the other plantations there are overseers houses,
negro quarters, barns, stables, tobacco houses, &c.
The above tract shall be either partitioned off in lots
of 1000 or 500 acres, or sold bodily to one purchaser.
Belonging to this estate there are 112 negroes to be
disposed of, together with all the flocks of cattle, equal
to any in the colony, horses, mares, colts, hegs, &c.
Likewise all the necessary implements for the planter or
farmer. Any person or persons inclinable to purchase
are desired to make their proposals to me at Rosegill,
on Rappahannaock river, or to leave them with the
verser, who lives at the house plantation, and will
show the land. In November I shall be on the pre-
mises, and may then be personally treated with. Part
of this land, and some of the negroes, belong to my
deft son, who leaves to me the disposition thereof,
and will confirm any engagement I enter into on his
part.
