Annapolis, July 20, 1774: BY THE KING'S PATENT, BEAUME DE VIE,

A most Excellent and Efficacious Family Medicine.

THE public have so long been imposed upon by a multitude of infallible nostrums, that persons of character may well be discouraged from offering any thing calculated for its service; it is presumed, however, that the world will easily distinguish betwixt the vain pretences of illiterate quacks, and the undeniable attestations of people of the first rank, whose names could never be prostituted to serve a dishonest purpose. This distinction the proprietors of the beaume de vie claim from the candor and discernment of the judicious public, whose attention at its efficacy in removing distempers entirely different in their symptoms, will cease by carefully considering the principles upon which the effects of this medicine are to be accounted for; viz: that all internal disorders take their rise from the stomach; when that is depraved and out of order, we become a prey to a variety of maladies. Out aliments are corrupted and make a bad ferment, which of course causes ill digestion; from hence results a bad chyle; and this last forms a fizy and viscidus blood; deprived in part of its spirituous and balsamic principles.

The beaume de vie evacuates gently all heterogeneous humours; restores the stomach to its proper tone; reanimates nature without the least violence, quickens the circulation of the blood, absorbs the acid and acrimonious particles, introduces balsamic ones, and restores the whole system to its natural functions. And as a further proof of the efficacy of this excellent medicine, its use is become so general in England that scarce a family is without it.

In all complaints of the stomach it is a sovereign remedy and it may be depended on as such; that there is no one instance wherein the bark in its most extensive use, can be of service, where the beaume de vie is not still more powerful, as well in all gangrenes and mortifications, as agues and intermittents; consequently a medicine cannot be better calculated to prevent and remove the diseases incident to this climate.

It is sold with full directions by Thomas Brooke Hodgkin, at his store on the front of the dock, at the moderate price of one dollar each bottle. And those who wish to be more acquainted with the good effects of this medicine; may there see a pamphlet of cases well attested by persons of veracity.

It is on lease for 99 years, renewable for ever; and subject to a ground rent of only 40s. sterling per annum. About 16 years of the lease are expired; on the first of the lot on Frederick-street, is a large brick dwelling house, wherein the subscriber now lives, 30 feet front, 23 feet deep, two story high, having two parlours, a passage, and stair-case below; four chambers, three whereof have fire places, and above two good garrets well finished. There are also adjoining to the said dwelling, a good brick kitchen and laundry, with proper chambers for servants; also a brick warehouse, 32 feet by 25, two story and cellar, nearly one half of the front of the lot is yet unimproved, there being only an old log building there served as a jail, and which may be removed at pleasure. There is an exceeding good garden well inclosed, this lot would suit a distiller, brewer, or sugar-baker, as there is room sufficient for building, and a tank may be opened through the lot from one street to another; what buildings are on this lot are faithfully executed, the brick walls some are 18 inches thick, and none less than 14 inches, even to the ridge pole; the purchaser need lay down but little cash, if any, good security with interest will suffice, and one fourth of the money will be only at four per cent per annum interest; as I am determined at all events, to leave this province, and desirous of settling all my affairs, any person inclinable to purchase, will find me very reasonable in my demand for this lot.
