Two other tracts of land, situated at the Fork of Patapsco main Falls, the one lying partly in Baltimore and partly in Anne-Arundel county, containing 96 acres, and is about 18 miles from Baltimore-Town; this land is very rich, has plenty of timber on it, and affords a very fine mill seat; there is also on it a small tenement that pays ten pounds per year. Pursuant to a decree of the honourable the general court, and by letters attorney from colonel George Mercer, of Virginia, now in London, will be sold at public auction,

Also 6500 acres on Shannondoah river in the county of Frederick, opposite to Snicker's ordinary, and binding on the river about seven miles; as this tract is part of a survey, one of the first in that part of the colony, its good quality cannot be questioned; it is well watered, will admit of two mills on land streams and others on the river; there are now on it six plantations well improved for cropping, one hundred and ten slaves; and very large and choice Rocks of horses, (some of the dray breed) black cattle; hogs, and sheep, which together with the crops of corn and wheat now growing, (expected to be upwards of 2000 barrels and 3000 bushels) will be sold on the premises on the 24th day of November next; if fair, or the next fair day; the Loudon lands will be sold at West's ordinary on the 21st day of the same month; both tracts will be laid off in lots to suit every kind of purchaser, who may see them by applying to Mr. Francis Peyton, living near the Loudon lands, and Mr. William Dawson, who resides on the Shannondoah tract.

**JOHN KING,** late coachman to his excellency Robert Eden, Esq; takes this method of informing the public and his friends in particular, that he has taken the horse and stables lately belonging to John Warren, where he has fitted up the same in a genteel manner for the accommodation of gentlemen and their horses. Those gentlemen that please to favour him with their kind custom, may depend on the gentlest and kindest treatment, and the greatest care taken of their horses; he has also provided himself with able siddle horses, for ladies and gentlemen, which he intends letting out at a reasonable rate; it is needless to add further, as his friends are well convinced of his care and fidelity to strangers and their horses.

**A**valuable title of LANDS.  
**T**O be sold, a tract of land in Berkely and Frederick counties, containing 12,576 acres; it lies seven miles on each side of Shenando river, the quantity on the east side, being only a slip of low ground, is inconsiderable; the quality of the land is remarkably good, and the conveniencies attending it great. There are two plentiful streams of water running through marshes three miles in length, some of which are already reclaimed meadows, and the rest, at a very small expence, might soon be reduced to the like state. On each side of the stream, mills might be erected and furnaces, the land affording stone, lime, iron, and lead ore. On one of the streams I have already erected a complete merchant mill, with a pair of the best French burrs for grinding of wheat, and a pair of common stones for grinding of Indian corn; besides this, there is near the dwelling-house a tub-mill, and on the other stream there is a valuable saw mill. There are five settled and improved plantations; on one of them is a good stone house, two stories high, with two rooms on a floor, a kitchen, dairy, and all other convenient out-houses; on another plantation where Michael Pike lived, there is a good stone house) and at the other plantations there are overseers houses, negro quarters, barns, stables, tobacco houses, &c. The above tract shall be either partitioned off in lots of 1000 or 500 acres, or sold bodily to one purchaser. Belonging to this estate there are 112 negroes to be disposed of, together with all the stocks of cattle, equal to any in the colony, horses, mares, colts, hogs, &c. likewise all the necessary implements for the planter or farmer. Any person or persons inclinable to purchase are desired to make their proposals to me at Rosegill, on Rappahanoack river, or to leave them with the overseer, who lives at the house plantation, and will show the land. In November I shall be on the premises, and may then be personally treated with. Part of this land, and some of the negroes, belong to my eldest son, who leaves to me the disposition thereof, and will confirm any engagement I enter into on his part. (9W) **RALPH WORMELY.**  
Annapolis, June 13, 1774.

Campbell, in March last, a bricklayer by trade, a stout well set fellow, of a swarthy complexion, about 30 years of age; born in England, and has been many years on board a man of war; had on and took with him, a brown bearskin coat, blue cloth waistcoat and breeches, gray yarn stockings, country made shoes and castor hat. The property of Richard Sprigg.
