

TO be sold, a tract of land in Berkeley and Frederick counties, containing 12,076 acres; it lies seven miles on each side of Shenando river, the quantity on the east side, being only a slip of low ground, is inconsiderable; the quality of the land is remarkably good, and the conveniences attending it great. There are two plentiful streams of water running through marshes three miles in length, some of which are already reclaimed meadows, and the rest, at a very small expence, might soon be reduced to the like state. On each side of the streams, mills might be erected and furnaces, the land affording stone, lime, iron, and lead ore. On one of the streams I have already erected a complete merchant mill, with a pair of the best French burrs for grinding of wheat, and at pair of common stones for grinding of Indian corn; besides this, there is near the dwelling-house a tub-mill, and on the other stream there is a valuable saw-mill. There are five felled and improved plantations; on one of them is a good stone house, two stories high, with two rooms on a floor, a kitchen, dairy, and all other convenient out-houses; on another plantation where Michael Pike lived, there is a good stone house; and at the other plantations there are overseers houses, negro quarters, barns, stables, tobacco houses, &c. The above tract shall be either partitioned off in lots of 1000 or 500 acres, or sold bodily to one purchaser. Belonging to this estate there are 22 negroes to be disposed of, together with all the stocks of cattle, equal to any in the colony, horses, mares, colts, hogs, &c. Likewise all the necessary implements for the planter or farmer. Any person or persons inclinable to purchase are desired to make their proposals to me at Rosegill, on Rappahannock river, or to leave them with the overseer, who lives at the house plantation, and will show the land. In November I shall be on the premises, and may then be personally treated with. Part of this land, and some of the negroes, belong to my eldest son, who leaves to me the disposition thereof and will confirm any engagement I enter into on his part.

John King, late coachman to his excellency Robert Eden, Esq; takes this method of informing the public and his friends in particular, that he has taken the house and stables lately belonging to John Warren, where he has fitted up the same in a genteel manner for the accommodation of gentlemen and their horses. Those gentlemen that please to favour him with their kind custom, may depend on the gentlest and kindest treatment, and the greatest care taken of their horses; he has also provided himself with able saddle horses, for ladies and gentlemen, which he intends letting out at a reasonable rate; it is needless to add further, as his friends are well convinced of his care and fidelity to strangers and their horses.
