

W Dorchester county, Cambridge, July 3, 1775. 135
HERRAS divers persons trading in small ves-
sels up and down the several rivers of this pro-
vince, have of late frequently come into the rivers in
this county, with dry goods, coffee, molasses, and
other articles which are prohibited from being impor-
ted into this country, since the first day of Decem-
ber last, and which, they say, were purchased by them at
Philadelphia, Philadelphia, and other places in the
country, without paying the duties upon them.

chance they respectively purchased of, that the same goods and merchandise were imported before the said first day of December; which has put the committee at this season to great trouble and inconvenience, in taking possession of and storing such goods till proper certificates were obtained respecting the same; and has occasioned frequent murmurs of those persons who were thus prevented, by their own negligence, from

disposing of their merchandise, under pretence that they did not think such certificates would be required for goods which were purchased in the country; the committee of the Old County desired to prevent any person in future, from falling into the same disagreeable predicament of having their goods detained till such time as they produce satisfactory vouchers of their

merchandise being imported within the time limited by the continental congress, do hereby give notice to all persons whatsoever, that they will not permit or suffer any one to sell or dispose of any goods or merchandize which may be brought into the said country, unless the person or persons to whom the same belong, can produce a certificate from the committee of the place where they purchased such goods, that the same were imported within the time limited as aforesaid.

Witness my hand and signed per order.

3
HENRY HALE, Sec. com.

Nottingham, April 1, 1775.

Our partnership is now at an end, all persons that have had any dealings with us, are desired to settle and discharge their balances by a bill or bill of lading.

and was paid to our last advertisement.... Constant at-
tendance will be given at this place to settle and re-
ceive our debts; and those that do not comply by the
10th of July next, legal measures will be taken to en-
force payments without respect to persons.

We have between £700 and £800 worth of goods
which we would sell very cheap, and give two years
time of payment.

THO. CONNELL
FINDER BOWIE.

ANY person inclinable to gather a quantity of the
Sassa, or Kattle Snake-root, from 100 lb. to
500 lb. Likewise Callamas root this summer, may
have it disposed of by applying to John Robinson, at
his excellency's governor's Office.

N.B. Otters, Wild cats, Minks, or other valuable
furs, if taken in season, may be disposed of at the
same place.

ROBERT BUCHANAN proposing to leave this
province in a few weeks, he requests all those
who are indebted to James Buchanan & Son, to call there

with him, to make immediate payment; and those who have any demands against him, are desired to bring in their accounts.

LOST at Prince George's county court, on Wednesday the 29th instant, a large red Morocco pocket-book, in which was between three and four pounds in cash, and sundry papers, belonging to Capt. Robert Etherington, of no use to any one, but the owner. Whoever has found the said pocket-book, and will bring it with the papers to the subscriber in Upper Marlborough, shall be welcome to the money.

that was in it, and a reward besides of twenty-shillings current money, and no questions asked.

RALPH FORSTER.

A white woman to be sold for her prison fees; that is an exceeding good spinner and knitter.

SIX POUNDS REWARD.

RAN away from the subscriber, living near Bellair, on Patuxent, in Prince George's county, Maryland, a mulatto fellow called Tom, a shoemaker by trade; he is about six and twenty years old, 5 feet 9 or 10 inches high, stoops naturally, he is fair, but has a blackish beard when he lets it grow, and has the look of a rogue when sharply spoken to, and dis-

covers a great deal of assurance and impudence in his
contradiction. As he has always lived in the neigh-
bourhood of Queen Anne's, the Governor's Bridge
and Bellair, and been acquainted with the priests of
this province, his conversation may easily discover
him. It is likely he may call himself free, and have a
forged pass under another name; or he may probably
be concealed and kept at his trade in Annapolis, or
in the neighbourhood of Bellair, on Kentux, where
he lived by former white people. We make too fami-
liar with my slaves to my great prejudice, and whom
I hereby forewarn from having any dealings with
them, either in the shocking business, or in any
other way, without my express consent. Whoever
secures the above fellow in jail, or brings him home to
me, will be entitled to the above reward, from
JOHN ASHTON.

THREE POUNDS REWARD.
DAN away from the subscriber, living in Chester.

town, on the second day of February, a negro man named Wallé, but he has changed that to George since he went away, and may probably change it again to some other name. He is about 24 or 25 years of age, about 5 feet 3 or 4 inches high, and is remarkable for a thick tongue, and lisp when he speaks; he

is pretty fatigued, and very strong made, he had on when he went away, a kersey jacket, white kersey breeches striped black and white, negro shoes and stockings, olinthrig shirt, and a catter had bound with black binding, he was bought by Rolland Edmondes, out of Hugh Hopewell's jail. Whoever apprehends the said negro, is that his master give him again, shall receive the above reward, paid by

4 X EDWARD WORRELL.
