this county, with dry goods, coffee, molasses, and
other articles which are prohibited from being impor-
ted into this country since the first day of December
last, and which, they say, were purchased by them at
Baltimore, Philadelphia, and other places in the
country, without proper certificates from the mer-
chants they respectively purchased of, that the same
goods and merchandizes were imported before the said
first day of December; which has put the committee
of this county to great trouble and inconvenience,
in taking possession of and storing such goods till pro-
per certificates were obtained respecting the same; and
has occasioned frequent murmurs of those persons who
were thus prevented, by their own negligence, from
disposing of their merchandize, under pretence that
they did not think such certificates would be required
for goods which were purchased in the country: the
committee of the said county desirous to prevent any
person in future, from falling into the same disagree-
able predicament of having their goods detained till
such time as they produce satisfactory vouchers of their
merchandize being imported within the time limited
by the continental congress, do hereby give notice
to all persons whatsoever, that they will not permit or
suffer any one to sell or dispose of any goods or mer-

ther with or without an adjoining improved
plantation; the land whereof is, in general good,

This being a place much frequented, and likely to
become daily more so with the rising importance of
Alexandria, renders it peculiarly fit either for a fa-
vern, or a place of trade, or both. The buildings
now upon it, excepting one new house intended for a
kitchen, are but indifferent; it is, therefore, propos-
ed, that the tenant shall erect such as he may judge
necessary, for which a proper abatement will be made
in the rent. For terms, apply to the Rev. Mr. Jona-
than Boucher, or Mr. John Addison near the pre-
