Prince George's county, September 13, 1775. TO THE PUBLIC. THE Rev. Mr. Boucher, having failed last Sunday in the Choptank Frigate, for England, with the hope of returning again early in the next summer; desired me, to whom he has given a power of attorney to transact his business during his absence, to give this public notice, that if in his hurry, he had left any accounts untied, such might apply to me, who will either make payment, or give security, if required.

WILLIAM HICKMAN.

TO BE SOLD BY THE SUBSCRIBER, A LIKELY negro man, about 22 years of age, who has been used to plantation work, and understands going by water. JAMES GAITHER. TEN POUNDS REWARD.

RAN away this morning, from the subscriber, living on Elk-ridge, in Anne-Arundel county, Maryland, a convict servant man named JOHN PEACOCK, a shoemaker by trade, a likely well-made fellow, about 5 feet 8 inches high, brown complexion, black hair and eyes, is very talkative, an artful cunning fellow, is very officious in showing his skill in drawing pictures, and making print letters, he pretends to know the printing business, writes a tolerable good hand, and it's likely may forge a pass; had on when he went away, a new felt hat, a oinabrig shirt, country tow linen trousers, and an iron collar, and it's supposed he stole a match-coat blanket; it's likely he will soon change his apparel by stealing other cloaths, and will probably get off his collar; he ran away last March and was put into Carlyle jail. Whoever takes up the said servant, and secures him in any jail, so that his master may get him again, shall have five pounds, and if out of the province ten pounds, including what the law allows, and reasonable charges if brought home, paid by JOHN HOOD.

WANTED immediately, a number of hands who are acquainted in the different branches of the manufacture of fire arms—good wages and encouragement will be given to such as have been used to work in any branch, according to their proficiency and industry, either by the piece or time. As good locksmiths, or other neat fliers, will be soon handy in making several parts of gun-locks, to such also I will give good encouragement.—There are many servants about the country who would be very useful in the necessary business I am now engaging in; I should be glad to be informed of such, and wish to hire them, or purchase their times of service of their masters. ISAAC HARRIS.

THERE are between two and three hundred acres of cleared land on the tract, and a good crop of wheat will be put into the ground this season; several valuable stores will be rented with the land. I have never seen this tract of land, but it is esteemed by those who know it, to be some of the best in the province. JUSTICE ABERTON, Peruke-maker, and gentlemen and ladies hair-dressers, leave to inform those gentlemen and ladies that he has taken the boys formerly possessed by Mr. John Hepburn, upon Co-shill, where he carries on his said trade in all its various branches, viz. cutting of hair in the newest manner, and making perukes, ladies hair rolls, curls, &c. after the newest taste, and in the genteelst fashion, and as he has had many years experience both at Paris and London, he doubts not but to give full satisfaction to those that please to employ him; and he hopes to meet with the favour and approbation of the public, as he is determined to execute all orders in the neatest manner, upon the most reasonable terms, and with the strictest punctuality, if

THE partnership of James Dick and Stewart being expired, all persons indebted to them, are requested to make what payments they possibly can.
