April 15, 1776. ALL persons indebted to George Matthews, late of Kingsbury furnace in Baltimore county, deceased, are desired to make immediate payment, to enable us to execute his will, and all those who have claims against him are desired to exhibit them properly authenticated, to

T. RUSSELL and JAMES SMITH, } executors.

SIX POUNDS REWARD.

Talbot county, Maryland, May 6, 1776. RAN away from the subscriber, on the night of the 4th instant, two convicts, viz. William Manly, a well-made man, five feet seven inches high, thirty or thirty-five years of age, with black hair cut short, of a surly bad countenance, is a Sawyer or labourer, and understands horses: had on a short blue coat much worn, spotted swanikin jacket and trousers, good strong shoes with small nails in the soles and heels; a cap made of English sole leather and painted blue, and had an iron collar about his neck: he is a most impudent infamous villain, this being the third time he has run away, and once he broke jail after he was taken up and committed.

Thomas Pearson, a slender young simple fellow, with light coloured short soft hair, about eighteen or twenty years of age, five feet six inches high, has large eyes and very small fingers, is a Sawyer or labourer: had on a drab coloured coat and jacket about half worn, spotted swanikin trousers, and a leather cap and shoes the same as Manly's. They both speak the North of England dialect.

Whoever takes up and secures the said servants, so that I get them again, shall receive if taken in this province forty shillings for each, and if taken up out of this province three pounds for each:

JAMES BRADDOCK. N.B. 'Tis probable they will change their names, and perhaps some part of their cloaths, and 'tis likely they will lurk in the woods in the day time and travel in the night.

Patuxent Iron-Works, February 6, 1776. BEING desirous of settling the estate of our father, RICHARD SNOWDEN, late of Patuxent Iron-Works, deceased, we request all such as are indebted to said estate to make immediate payment, as no longer indulgence will be given them. Also all persons that are indebted to the Patuxent Iron-Works Company, of more than twelve months standing, are requested to come immediately and make payment; and those who have it not in their power to make immediate payment, it is expected they will come and settle their accounts by note or bond. If the above requests are not complied with, we shall take such methods as will compel a settlement, without respect to persons, although it will be disagreeable to

SIX DOLLARS REWARD.

STRAYED away from the widow M'Donall's, between Baltimore and Annapolis, on Thursday night the 13th of March, out of the fodder house, a bay horse, about 14 hands and an half high, paces, trots, and gallops, marked C S on his left shoulder. Whoever takes up said horse, and brings him to Capt. Samuel Maynard's at Herring-Creek, or to William Hayes, Fell's Point, Baltimore, shall receive the above reward, and reasonable charges paid if brought home.

Annapolis, March 26, 1776. RAN away from the subscriber, an indented servant lad, named Edward Burford, born in Hampshire, about five feet two inches high, fair complexion and brown hair: had with him two cloth coats, one a London brown, the other of coarse light coloured cloth with waistcoat of the same, much worn, good buckskin breeches, ribbd worsted stockings and English made shoes. He is very fond of liquor, and can give no better reason for his elopement, than that he often merited chastisement and never received it. He was seen at Mr. Jacob Sampson's in Prince-George's county, pretending leave to visit a ship-mate. Should he be taken ten miles from home I will give 40 shillings reward on his return.

ABRAHAM CLAUDE, WATCHMAKER, JEWELLER, and SILVERSMITH, Opposite Mrs. Johnson's tavern, ANNAPOLIS.

BEGS leave to acquaint the public in general, and his friends in particular, that he still continues to carry on the aforesaid trades in all their various branches, and at the most reasonable rates; also that he cleans and repairs all sorts of fire-arms, small-swords, hangers, and cutlasses: He also makes hooks for swords in the neatest and most approved manner. N. B. He has several sorts of hooks and eyes to dispose of cheap.

SPRIGHTLY To be let to mares the ensuing season, at School-field, Prince-George's county.

THE high bred English horse, SPRIGHTLY, full fifteen hands high, rising seven years old, is of a beautiful dark chestnut colour, was got by Wildman's Babram, his dam by Rogers's Babram, his grandam by Sedbury out of lord Portmore's Ebony; is well suited to breed for either the saddle or turf, being remarkably tight, and quick in his movements, free from any blemish or incumbrance of gum, and is imagined equal to any horse on the continent, four mile heats at nine stone. He will be let at six dollars, for the season, and half a crown to the groom, and as at so low a rate the cash will be expected before the horse is led out. Good pasture for mares to be had at half a crown a week, or at half a dollar, with proper feeding; and mares above 1/2 miles distance two weeks gratis.
