Lower Marlborough Academy, June 28, 1777.
THE TUTOR of this ACADEMY, considering the difficulty of procuring convenient BOARD for the STUDENTS, and the high price thereof, and desirous of applying some remedy to the inconvenience, and thereby render the seminary under their care as extensive & useful as possible, have, by the advice of a number of the trustees, provided a proper and convenient boarding-house for the reception of such young gentlemen as shall choose to reside therein, on the following plan, viz.—Every student to provide his bed and bedding, and upon his admission, to pay the sum of fifteen pounds into the hands of the tutors, to be expended in procuring provisions and other necessaries for household-keeping; that the whole expence of boarding be equally levied on all the students, at the expiration of the year; and that just and regular accounts be kept by one of the tutors, to be open to the inspection of the friends of any of the students.—By this plan it is expected that the price of board will not only be considerably reduced, but that great advantages will accrue to the student, from being constantly under the eye of the tutors.—Provision will be taken at the current price, if delivered at the boarding house, for the proportion of any of the boarders, or any part of it. The Latin and Greek languages, and all the most useful and ornamental sciences, are taught in this academy, at the moderate price of five pounds per annum, by
STEPHEN B. BALCH, A. B. of Nassau-Hall. THOMAS LLOYD, of Trinity college, Dublin.
 And the English language, writing and arithmetic, at forty shillings per annum, by **JOHN NICHOLS.**

WHEREAS there is a report prevailing, somewhat to the prejudice of the character of Mrs. Margaret Hutton—which report says, that on the 9th of April, A. D. 1776, at her own table, Mrs. Hutton called on a lady for a toast—and on "General Washington" being given, peremptorily refused to drink it. This I aver to be an atrocious lie, and therefore take upon me to clear up the aspersion, by setting things in their true colours, as received from Mrs. Hutton herself, and other ladies who were present at the time. Mrs. Hutton was visited, the day abovementioned, by several ladies, among others, the lady of a general; the preference was given her; she was called on, and gave, "General Washington," which was by all the company, without exception, drank. Mrs. Hutton was then desired to give a toast; her reply was, "We will leave politics and public toasts for gentlemen, and wish for 'Peace and Quietness,' for I hate spinning." The reason why this matter had not been set to rights earlier is, the persons concerned were, till within a few days last past, ignorant of such a matter having been rumoured. w6 **HEZEKIAH MAGRUDER.**
