Office for stating and settling the public accounts.

THE commissioners having desired the law to be printed in the Maryland Gazette, think it necessary to give further notice, that they intend to continue setting every day in the said house, Sundays excepted.

And as there appear many large sums due to the public for money advanced upon contracts (and for other purposes) which have been in many instances disregarded, the commissioners take this method to inform all persons concerned, that they are determined to pursue the direction of the legislature, as far as in their power; that they shall require a specific compliance with every public contract, as far as it is possible and equitable, and as they wish to prevent every unnecessary expence and delay, so they hope that those who are interested will see the propriety and absolute necessity there is for them to render their accounts, and make satisfaction to the public as speedily as possible. Those clerks of counties who have omitted to transmit lists of ordinary licences and fines, since the year 1775, are requested to forward them; the sheriffs indebted on those or any other accounts to perfect their payments; the supervisors of roads, who have had money advanced from the year 1774; the committees of the counties, and in general all persons who have public money or effects accounted for, will be pleased to take notice and comply with the requisitions of the legislature.

THO. GASSAWAY, clerk.

WHEREAS, colonel Edward Sprigg, late of Prince-George's county, deceased, having, by his last will and testament, directed his executrix to sell and dispose of part of a tract of land, lying in Frederick county, called, Addition to Piles's Delight, before the first day of June after his decease, for the payment of his debts; and whereas his executrix, through sickness and inability of body, could not attend to do as much sale thereof by the time limited in the said will, she hereby gives this public notice, that after a continuance of this advertisement eight weeks in the public papers, she intends to petition the general assembly for an act empowering her to dispose of the said land, in order to enable her to make a final settlement of the estate of the said testator.

MARY PINDELL, executrix.
