Part of Windsor-Forest, 1236 acres; this tract lies about 4 miles from the above lands. All the tracts are called Forest-land; a considerable part of them is very good soil; each tract is very well watered, and there are on the whole about 200 acres of good meadow ground. There is little timber on the above tracts, except on the main western fork of the western, or Delaware, falls of Patapsco river, where enough may be procured to build tobacco houses: these lands lie near the great main road from Frederick-town to Baltimore, and between 25 and 30 miles from the latter, and in the neighbourhood of the late Mr. Samuel Mansell. Resolutions, granted for 667 acres, of which about one half is clear of elder tracts; this land lies below Bush-creek, about 8 miles from Frederick-town, near one Solomon Turner's. In all about 4,147 acres. A reasonable price will be taken for the whole; if the tracts are sold separately, the price will be more or less, according to the quality and situation. The title to all the tracts is indisputable. Bond with security, for tobacco, or specie, with interest; or bills of credit of the last emission, at par with specie, will be taken in payment, and the lands immediately conveyed.
