THE partnership of Wallace, Davidson, and Johnson, having terminated some time since, it is absolutely necessary that the transactions of that concern should be settled; the subscribers therefore earnestly call on all those who are indebted to the said company for dealings at Annapolis, Queen-Anne, and Nottingham, immediately to settle their balances by bond or note. Being well acquainted with the scarcity of money, and other difficulties of the times, the subscribers do not press for payment, but a settlement; and to show the world that they wish to do as they would be done by, they inform their creditors, that they are willing to give their bonds for any just claims against them, and to renew those of an old date.

For the convenience of their debtors, they have empowered Mr. Edward Boteler to settle their Nottingham balances, Mr. Samuel Tyler those of Queen-Anne store, and they will give constant attendances at Annapolis for the purpose of settling the accounts of that store; they hope no person concerned will neglect to comply with this very moderate request, should there be any such, they may be assured that suits will be commenced against them the moment the courts are opened without any further notice.
