GOVERNOR OF MARYLAND,
A PROCLAMATION.

THE secretary of foreign affairs having, by the direction of the United States in congress assembled, announced the birth of a dauphin of France, I do, in consequence of the unanimous request of the general assembly, appoint Tuesday the twenty-fifth instant, for the celebration of the auspicious event; and I cannot doubt that the good citizens of this state will unite in the joy, which an occasion, so nearly affecting the happiness of our ally, will not fail to inspire, while they experience a new source of satisfaction on the birth of a prince, from whom we have every reason to expect a continuance of the blessings of our alliance, the same lively attention to the injured and oppressed, and all the great and good qualities which have excited our admiration and gratitude, and which so eminently distinguish his illustrious father.

GIVEN at Annapolis, this thirteenth day of June, in the sixth year of our independence, and in the year of our Lord one thousand seven hundred and eighty-two.

THO. S. LEE.

By his EXCELLENCY's command,

Mr. BROWN,
I DON'T know what farther satisfaction can be given as to Ranger's blood more than the certificate from under the hand of Mr. Newbiggin, so often already published, and came enclosed to me in a letter from Mr. Marshall, of Elderslee, who purchased the horse, and was recommended to him as a very high bred horse before he bought him; I am well satisfied he could not be imposed upon, you may rely his pedigree is genuine; they that are not satisfied with what I have always said, that he was as high bred as any horse that I imported, will be loath to believe any thing I can say, and must have some reason to pretend not to believe what is so well attested. I have sent you the two advertisements I first published in the year 1766, you will there see Figure and Ranger's pedigree, from your friend

THOMAS HAMILTON.

He was got by Regulus, his dam by Merry-Andrew, her dam by Steady, her grand-dam was the dam of Shaftoe's Wildair. This under the hand of Mr. Adam Newbiggin of Belfast.

It may be presumed from Ranger's strength his offspring will be fit for draught or saddle; and, from the purity of his blood for field or turf, according to the mares.

The money to be paid at covering, or before the mares are taken away. The mares that do not prove with foal by these horses this season, shall be covered by them next season at half price.

N. B. The mares are excepted who are not paid for this season before they are taken away.

Hawkins, near Upper Marlborough, some time last summer, a small black mare, about four or five years old, paces and gallops, no perceivable brand, a small star in her forehead, and a small white spot on her side, a switch mane and tail. The owner may have her again on proving property and paying charges.

It contains 233 acres, about 190 of which are cleared and under good fence. There are a very good dwelling house, kitchen, negro quarter, and several other convenient out houses, with a large barn, two large tobacco houses, two shade stables, &c. a fine young apple orchard; when a good fruit year may be made thereon 3 or 4000 gallons of cider; 8 or 10 acres of more of excellent meadow might be made at a very little expence; it is a neat little farm, the land very level, pleasantly situated, and in an exceeding fine neighbourhood. Specie, or inspectors notes for good crop tobacco at a convenient warehouse on Patuxent river, or Elk-Ridge landing, will be taken in payment. JOSEPH WILLIAMS.

Greenbury's Point, June 3, 1782.

To be LEASED for a term of years, A PLANTATION opposite to the city of Annapolis, commonly called Beaman's Fort, containing 350 acres, with some negroes. There are on the premises, a good dwelling house with four rooms and a good cellar, a large dairy, corn house, quarter, tobacco house, and some other improvements; some excellent meadow ground, which may, with very little trouble, be laid down in grass next spring; the person to whom it is rented may have liberty to sow 50 bushels of wheat this fall, or that quantity will be sowed; it may be agreed upon; it is a very pleasant situation and has a great advantage in being so nigh to Annapolis market, which I reckon the best on the continent to those who have any thing to sell. For terms apply to

DAVID KERR.

To be SOLD,

A LOT of ground of one whole acre in the city of Annapolis, with a tan-yard thereon, and several valuable improvements, lying on a good landing. This lot of ground I look on as the most valuable lot in the city to a man of real business, being so well adapted for the businesses of distilling, brewing, or sugar-baking, tanning, &c. &c. the springs are numerous and the water excellent.

Likewise an elegant brick house adjoining the church circle, in a dry and healthy part of the city, this house is 100 feet front, 3 story high, has 20 fire places, the rooms are mostly large and well finished, and is one of the first houses in the state for a house of entertainment, for which purpose it was originally intended, but may very well serve for two tenements. Any person inclining to purchase one or both the aforesaid premises may know the terms of sale by applying to

THOMAS HYDE.

N. B. All persons who have formerly had dealings with me, and their accounts are not yet settled, I hope will call at my house in Annapolis and discharge the same, or close their accounts by passing notes or bonds for their balances, and those who are indebted by any written obligation, are desired to discharge the same, or pay the interest and renew their obligations to their humble servant

T. H.

THE partnership of Wallace, Davidson, and Johnson, having terminated some time since, it is absolutely necessary that the transactions of that concern should be settled; the subscribers therefore earnestly call on all those who are indebted to the said company for dealings at Annapolis, Queen-Anne, and Nottingham, immediately to settle their balances by bond or note. Being well acquainted with the scarcity of money, and other difficulties of the times, the subscribers do not press for payment, but a settlement; and to show the world that they wish to do as they would be done by, they inform their creditors, that they are willing to give their bonds for any just claims against them, and to renew those of an old date.

For the convenience of their debtors, they have empowered Mr. Edward Botelar to settle their Nottingham store balances, Mr. Samuel Tyler those of Queen-Anne store, and they will give constant attendance at Annapolis for the purpose of settling the accounts of that store; they hope no person concerned will neglect to comply with this very moderate request, should there be any such, they may be assured that suits will be commenced against them the moment the courts are opened without any further notice.
