YOUNG GRANBY,
An elegant full bred horse,
WILL cover this season at the subscriber's plan-
tation, near Choptico, in St. Mary's county,
at ten dollars a mare, and half a dollar to the groom.
Young Granby is a beautiful bay, fifteen hands and
one inch high, rising seven years old, and very active,
he was got by Old Granby, his dam by Old Britain
out of the noted mare Dido, imported by Mr. Delaney,
of New-York. The character of Young Granby's
fire and grand-dam is so well known and established
that further particulars of his pedigree must be needless.
Good pasturage at three shillings per week, and par-
ticular care taken of the mares, but I will not be an-
swerable for escapes.
3 X FRANCIS MILLER.
P. S. Wheat or tobacco will be received in payment.

RAN away from the subscriber, living in Prince-
George's county, on Patuxent river, near the
Governor's-bridge, two negro fellows, namely, **SAN-**
DY and **BASIL.** Sandy went away about the last

30 and 40 years old, of a yellowish complexion, is very
pert, and stammers in his speech, his dress is a country
cloth jacket and breeches, cotton and linen shirt, coun-
try made shoes and stockings. Basil went away about
the last of February, is a middle sized fellow, about 30
years old, one of his legs smaller than the other, his
dress the same of Sandy's. Whoever secures the said
negroes and delivers them to the subscriber, shall re-
ceive three pounds reward, besides what the law allows,
or thirty shillings for either, paid by

January 1, 1783.
To be SOLD, or LEASED on reasonable terms,
A VALUABLE PLANTATION, near the
head of Stoney-creek, whereon there is an exceed-
ing good and new dwelling house, and many other con-
venient and necessary out-houses, in good order, near
the dwelling, which stands on the main road between
Severu-ferry and Baltimore; would well suit a private
gentleman's family, or any inclinable to go into a pub-
lic way of business, and is situated within half a mile
of two-merchant-mills. The soil is good, well timbered,
and there is excellent water very near the dwelling.
For further particulars enquire of the subscriber in An-
napolis.
NICHOLAS MACCUBBIN, son of Joseph.
N. B. The plantation contains 500 acres and is si-
tuated very conveniently near the water.

TAKEN up a drift at the mouth of South-river,
some time the last of February, an old schooner
boat, about 20 feet keel, and about 7 or 8 feet beam;
she had only one mast standing, which was her main-
mast, and her deck all tore up, two old sails all to rags,
her gunwales painted red, she had on board a parcel of
turneps, a half bushel, and a little box; she was half
full of water when drove on shore. It is thought the
man that went in her was drowned, as one of her masts
was broke on shore in the swamp, with the boom and
gaff washed together. The owner may have her again
on proving property and paying charges.
3 W WILLIAM SANDERS.

TAKEN up as a stray, by Joseph Hobbs, son of
Thomas, living on the upper part of Elk-Ridge,
a dark roan mare, about four years old, neither dock'd
nor branded, some small white hairs in her forehead,
14 hands high, trots and gallops. The owner may
have her again on proving property and paying charges.

4 HENRIETTA MARIA WALKER.

Port-Royal, February 9, 1779.
UPWARDS of two years ago I was struck with a
paralytic stroke, which affected me very much; it
happened that I met with Mr. Logan, who promised
to make a cure of my leg and arm, without any inward
application, by applying a kind of ointment; I found in
about a fortnight a great deal of relief in my right arm,
knee, and ankle; from the anguish of the gout it con-
tinued rather longer than I expected. I write this for
the good of mankind.
EDWARD DIXON.
Gloucester county, April 14, 1779.
I HEREBY certify, that my wife has been bad
with rheumatic pains these six years, and captain Whit-
ton sent Mr. Logan to see her; when he came he said
he could relieve her, and in three weeks time she was
clear of all pains in her arms. This I write in behalf
of Mr. Logan, as several doctors have had her in hand
and did her no good.
EDWARD LAYTON.

Baltimore, August 6, 1779.
THIS is to certify, that Mr. Logan, of Annapolis,
prescribed medicines for John Hayman, who was con-
fined to his bed with the rheumatism for a long time,
by which I was restored to perfect health.
JOHN HAYMAN.

Kent county, April 21, 1781.
MICHAEL EARLE, Esq; who had a white swelling
for about sixteen years, was also restored to perfect
health by Mr. Logan's medicine.

Prince-George's county, February 8, 1782.
A GENTLEMAN who had the piles and gravel
for about sixteen years, was also restored to perfect
health by Mr. Logan's medicine.
I ALSO relieve palsies, rheumatisms, gout, gravel,
fluxes, contractions of the limbs, white swellings,
drooply, running ulcers, &c. &c. I will take patients
at my own house, or elsewhere in Annapolis; but can-
not attend any in the country, except such as are con-
fined to their beds. Constant attendance will be given,
by their very humble servant,
12 WILLIAM LOGAN.

Maryland, Charles county, April 15, 1783.
The DAUPHIN,
A fine bay, beautifully dappled, with black legs, mane,
and tail,

twenty, at Benfield, the seat of Benjamin Con-
tee, Esq; within two miles of Port-Tobacco, at five
guineas each, payable on or before the first day of Janu-
ary, 1784, and one dollar to the groom, to be paid
in hand.
The Dauphin, though rising four years old only this
spring, is full fifteen hands high, and is esteemed by
competent judges to be very perfectly and elegantly
formed; his sire col. Lloyd's noted Traveller, his dam by
Dr. Hamilton's Old Figure, his grand-dam by the famous
imported Dove, his great-grand-dam by col. Tasker's
Othello upon the celebrated Selima, whose sire was the
Godolphin Arabian.

WANTED, as an apprentice by the printer
hereof, a lad who can read and write well.

YOUNG YORICK.
A beautiful bay, full fifteen hands three inches high,
rising five years old,
WILL cover mares this season for five hundred
pounds of tobacco, or five pounds current mo-
ney, at Bowie's Farm, near Nottingham, on Patuxent
river, where proper pasturage will be found, and great
care taken of the mares gratis, but not answerable for
escapes or accidents.

Young Yorick is very high blood, having descended
in a regular line from the first running horses in Eng-
land, which the following pedigree will evince; the
exactness, beauty, and elegance, so liberally displayed
by nature in his symmetrical form, together with his
great muscular powers, gave, when a colt, a pleasing
prefige of what his late actions have demonstrated, i. e.
his being equal, if not superior, to any running horse
of his age in this state. When four years old he re-
ceived forfeit of twenty guineas from Mr. John Brown's
Comet, who was prevented running the match by an
accident; in the fall following, he beat Mr. Walter
Cox's Monmouth, over the Nottingham four mile
course, for fifty guineas, and has since, in his trials,
given the proprietor the most convincing proofs of his
being a capital turf horse; and as an argument to estab-
lish this opinion more generally, he will run him a-
gainst any horse whatever of his age, on the first day
of October next, with eight stone and a half upon each,
a four mile heat, for one hundred guineas, say does
who dare.
Young Yorick was got by col. Tayloe's noted run-
ning horse Yorick, his dam by Figure, his grand-dam
by Dove, (both of whom were imported by Dr. Thom-
as Hamilton) his great grand-dam by col. Tasker's
Othello, upon Old Selima, who was got by the Godol-
phin Arabian.

To such gentlemen as are deemed sons of the bridle,
and feel a propensity to the raising of fine horses, and
who profess themselves genealogists, a more prolix pe-
digree would be unnecessary, and to such who are not
concerned in these matters, enough has been said to
prove it genuine and totally unexceptionable.
6 W 4 FIELDER BOWIE.

SILVER-TAIL,
STANDS this season at Tulip-Hill, and covers at
two guineas a mare, and five shillings to the
groom, provided the money is paid before the mare is
covered, or four pounds ten shillings a mare, and five
shillings to the groom, the money to be paid before the
mare is taken away. Good pasturage at three shillings
and nine-pence per week, and proper care taken of the
mares, but I will not be answerable for escapes. Silver-
Tail was got by Tanner, out of Tulip, who was got
by Selim, her dam by Panton's Arabian, her grand-
dam by the Godolphin Arabian, her great-grand-dam
by Snap, her great-great-grand-dam was Mr. Panton's
Witherington mare Tanner was imported and got
by Cade, out of an high bred mare, he won several
purfes and ran in high form. Silver-Tail is rising se-
ven years old, in high health, and fifteen hands three
inches high, with bone and strength in proportion; he
is a true foal getter, and his stock are remarkably large
and beautiful.
5 X MARK ROUGHED.

March 30, 1783.
C O M E T,
That beautiful colt, now rising five years old, fifteen
hands and a half high, well marked, with a star and
white foot,
WILL cover mares this season at Rural Hall,
within three miles of the Woodyard, in Prince-
George's county, at seven hundred and fifty pounds of
crop tobacco, or cash at two dollars per hundred, if
paid any time within twelve months from the time of
covering, and half a dollar to the groom.
Comet is in high perfection, is a fine chestnut beauti-
fully dappled, and is allowed by the best judges to be a
fine figure and superior form to any horse in the state,
and the following pedigree will prove him to be at least
equal in blood to any horse on this continent. Comet
was got by col. Tayloe's Old Yorick, his dam by
Kanger, his grand dam by Dove, (both imported by Dr.
Hamilton) his great-grand-dam by col. Tasker's Othello
upon Old Selima. Kanger was got by Martindale's
Regulus, his dam by Merry Andrew, his grand dam
by Steady, his great grand dam was the dam of Shaf-
toe's Wildair, all horses of high blood and form, and
were all king's plate horses. Regulus was got by the
Godolphin Arabian, his dam by the Bald Galloway,
she was the noted mare called Grey Robinion. Merry
Andrew was got by Fox, his dam by Hautboy. Steady
was got by rlying Childers, his dam by Grantham.
Regulus won seven king's plates and never was beat.
Good pasturage for mares at 3/9 per week, the greatest
care shall be taken, but I will not be answerable for
escapes or accidents.

part of a tract of land lying in Caroline county afore-
said, called Robin Hood, containing forty-four acres,
which deed he neglected to have entered on the record
in time.
