4 HENRIETTA MARIA WALKER.

Port-Royal, February 9, 1779.

UPWARDS of two years ago I was struck with a paralytic stroke, which affected me very much; it happened that I met with Mr. Logan, who promised to make a cure of my leg and arm, without any inward application, by applying a kind of ointment; I found in about a fortnight a great deal of relief in my right arm, knee, and ankle; from the anguish of the gout it continued rather longer than I expected. I write this for the good of mankind.

EDWARD DIXON.

Gloucester county, April 14, 1779.

I HEREBY certify, that my wife has been bad with rheumatic pains these six years, and captain Whittont sent Mr. Logan to see her; when he came he said he could relieve her, and in three weeks time she was clear of all pains in her arms. This I write in behalf of Mr. Logan, as several doctors have had her in hand and did her no good.

EDWARD LAYTON.

Baltimore, August 6, 1779.

THIS is to certify, that Mr. Logan, of Annapolis, prescribed medicines for John Hayman, who was confined to his bed with the rheumatism for a long time, by which I was restored to perfect health.

I will take patients at my own house, or elsewhere in Annapolis; but cannot attend any in the country, except such as are confined to their beds. YOUNG YORICK.

A beautiful bay, full fifteen hands three inches high, rising five years old, WILL cover mares this season for five hundred pounds of tobacco, or five pounds current money, at Bowie's Farm, near Nottingham, on Patuxent river, where proper pasturage will be found, and great care taken of the mares gratis, but not answerable for escapes or accidents.

Young Yorick is very high blood, having descended in a regular line from the first running horses in England, which the following pedigree will evince; the exactness, beauty, and elegance, so liberally displayed by nature in his symmetrical form, together with his great muscular powers, gave, when a colt, a pleasing presage of what his late actions have demonstrated, i. e. his being equal, if not superior, to any running horse of his age in this state. When four years old he received forfeit of twenty guineas from Mr. John Brown's Comet, who was prevented running the match by an accident; in the fall following, he beat Mr. Walter Cox's Monmouth, over the Nottingham four mile course, for fifty guineas, and has since, in his trials, given the proprietor the most convincing proofs of his being a capital turf horse; and as an argument to establish this opinion more generally, he will run him against any horse whatever of his age, on the first day of October next, with eight stone and a half upon each, a four mile heat, for one hundred guineas, say does who dare.

Young Yorick was got by col. Tayloe's noted running horse Yorick, his dam by Figure, his grand-dam by Dove, (both of whom were imported by Dr. Thomas Hamilton) his great grand-dam by col. Tasker's Othello, upon Old Selima, who was got by the Godolphin Arabian.

To such gentlemen as are deemed sons of the bridle, and feel a propensity to the raising of fine horses, and who profess themselves genealogists, a more prolix pedigree would be unnecessary, and to such who are not con-cern'd in these matters, enough has been said to prove it genuine and totally unexceptionable.

6 W 4 FIELDER BOWIE.

SILVER TAIL,

STANDS this season at Tulip-Hill, and covers at two guineas a mare, and five shillings to the groom, provided the money is paid before the mare is covered, or four pounds ten shillings a mare, and five shillings to the groom, the money to be paid before the mare is taken away. Good pasturage at three shillings and nine-pence per week, and proper care taken of the mares, but I will not be answerable for escapes. Silver-Tail was got by Tanner, out of Tulip, who was got by Selim, her dam by Pantons Arabian, her grand-dam by the Godolphin Arabian, her great-grand-dam by Snap, her great-great-grand-dam was Mr. Pantons Witherington mare Tanner was imported and got by Cade, out of an high bred mare, he won several purses and ran in high form. Silver-Tail is rising seven years old, in high health, and fifteen hands three inches high, with bone and strength in proportion; he is a sure foot getter, and his stock are remarkably large and beautiful.

5 X MARK ROUGHED.

March 30, 1783.

C O M E T,

That beautiful colt, now rising five years old, fifteen hands and a half high, well marked, with a star and white foot,

WILL cover mares this season at Rural Hall, within three miles of the Woodyard, in Prince-George's county, at seven hundred and fifty pounds of crop tobacco, or cash at two dollars per hundred, if paid any time within twelve months from the time of covering, and half a dollar to the groom.

Comet is in high perfection, is a fine chestnut beautifully dappled, and is allowed by the best judges to be a fine figure and superior form to any horse in the state, and the following pedigree will prove him to be at least equal in blood to any horse on this continent. Comet was got by col. Tayloe's Old Yorick, his dam by Ranger, his grand dam by Dove, (both imported by Dr. Hamilton) his great-grand-dam by col. Tasker's Othello upon Old Selima. Ranger was got by Martindale's Regulus, his dam by Merry Andrew, his grand dam by Steady, his great grand dam was the dam of Shaf-toe's Wildair, all horses of high blood and form, and were all king's plate horses. Regulus was got by the Godolphin Arabian, his dam by the Bald Galloway, she was the noted mare called Grey Robinion. Merry Andrew was got by Fox, his dam by Hautboy. Steady was got by flying Childers, his dam by Grantham. Regulus won seven king's plates and never was beat. Good pasturage for mares at 3/9 per week, the greatest care shall be taken, but I will not be answerable for escapes or accidents.
