NOTICE is hereby given, that I intend to petition the next general assembly, to remedy the defect in a deed of indemnity given me by James Leatch, of Calvert county, deceased, the same having been acknowledged only before one magistrate, whereas it is conceived there ought to have been two for real estates.

APPPLICATION will be made to the general assembly at the ensuing session, for the said assembly to take the legal steps to vacate a patent granted, in pursuance of a resolve of last session, to William Read, of Queen-Anne's county; the said patent including about 150 acres of manor land purchased of the state by the subscriber in the month of January, 1782. It is about twenty miles from Baltimore-town, about four from Harford-town, a mile from Abingdon, and about the same distance from the navigable waters of Bush river; the main road from Susquehanna, Harford-town, Abingdon, to Baltimore-town, passes through it. The soil and timber are equal to any in the state, and upwards of two hundred acres are a fine rich meadow bottom. There was formerly a mill built on part of this land, and there cannot be a more excellent mill seat; it requires only a dam of three feet to throw the whole stream of Winter's run into the mill-race, which is a large and never falling run of water. Five years credit will be given for the principal, bond to be given with good security, and the interest to be regularly and annually paid. For further particulars enquire of the subscribers, Aquila Paca, senior, at Annapolis, and Aquila Paca, junior, in Harford county. The sale to be the first day of December next, at Harford-town.
