UPWARDS of two years ago I was struck with a paralytic stroke, which affected me very much; it happened that I met with Mr. Logan, who promised to make a cure of my leg and arm, without any inward application, by applying a kind of ointment; I found in about a fortnight a great deal of relief in my right arm, knee, and ankle; from the anguish of the gout it continued rather longer than I expected. I write this for the good of mankind.
