WILLIAM DYMCK,
STEPHEN CHRISTIFER,

NOTICE is hereby given, that a petition will be preferred to the next general assembly, by Samuel Killam, and Samuel Treebarn, securities for John Long, late of Somerset county, deceased, for an act to enable them to expose to sale two tracts of land, called Hog-ridge and Wilson's purchase, for the purpose of discharging his debts.

THE subscriber, being properly prepared for receiving a large quantity of hides and skins to tan and curry, takes this method of informing those who choose to favour him with their custom, that they may depend on being served with punctuality and care. All hides or skins not taken away within thirteen months after they are delivered, the owners must expect to forfeit half the leather for tanning the other; likewise those that I have received within this twelvemonth, if not taken away in the months from the date hereof, will fall under the same predicament.
EDWARD SEFTON.
N. B. I have for sale a quantity of negroes shoes ready made, which I will sell on reasonable terms; also a parcel of excellent sole leather. E. S.

Port-Royal, February 9, 1779.
UPWARDS of two years ago I was struck with a paralytic stroke, which affected me very much; it happened that I met with Mr. Logan, who promised to make a cure of my leg and arm, without any inward application; by applying a kind of ointment; I found in about a fortnight a great deal of relief in my right arm, knee, and ankle; from the anguish of the gout it continued rather longer than I expected. I write this for the good of mankind.
EDWARD DIXON.

Gloucester county, April 14, 1779.
I HEREBY certify, that my wife has been bad with rheumatic pains these six years, and captain Whiston sent Mr. Logan to see her; when he came he said he could relieve her, and in three weeks time she was clear of all pains in her arms. This I write in behalf of Mr. Logan, as several doctors have had her in hand and did her no good.
EDWARD LAYTON.
Baltimore, August 6, 1779.
T HIS is to certify, that Mr. Logan, of Annapolis, prescribed medicines for John Hayman, who was confined to his bed with the rheumatism for a long time, by which I was restored to perfect health.
JOHN HAYMAN.
Kent county, April 11, 1781.
MICHAEL EARLE, Esq; who had a white swelling for about sixteen years, was also restored to perfect health by Mr. Logan's medicine.
Prince-George's county, February 8, 1782.
A GENTLEMAN who had the piles and gravel for about sixteen years, was also restored to perfect health by Mr. Logan's medicine.
I ALSO relieve palsies, rheumatisms, gout, gravel, fluxes, contractions of the limbs, white swellings, droopy, running ulcers, &c. &c. I will take patients at my own house, or elsewhere in Annapolis; but cannot attend any in the country, except such as are confined to their beds. Constant attendance will be given, by their very humble servant,
WILLIAM BOGAN.

NOTICE is hereby given, that I intend to petition the next general assembly, to remedy the defect in a deed of indemnity given me by James Leatch, of Calvert county, deceased, the same having been acknowledged only before one magistrate, whereas it is conceived there ought to have been two for real estates.

w 8 JOSEPH MORTON.

October 6, 1783.
TO BE SOLD,
AVERY valuable tract of land, situate and lying on the mouth of Winter's run, in Harford county, and containing upwards of four hundred acres. It is about twenty miles from Baltimore-town, about four from Harford town, a mile from Abingdon, and about the same distance from the navigable waters of the Patuxent river; the main road from Susquehannah, Harford-town, Abingdon, to Baltimore-town, passes through it. The soil and timber are equal to any in the state, and upwards of two hundred acres are a fine rich meadow bottom. There was formerly a mill built on part of this land, and there cannot be a more excellent mill seat; it requires only a dam of three feet to throw the whole stream of Winter's-run into the mill-race, which is a large and never failing run of water. Five years credit will be given for the principal, bond to be given with good security, and the interest to be regularly and annually paid. For further particulars enquire of the subscribers, Aquila Paca, senior, at Annapolis, and Aquila Paca, junior, in Harford county. The sale to be the first day of December next, at Harford-town.

A. PACA, jun.

APPPLICATION will be made to the general assembly at the ensuing session, for the said assembly to take the legal steps to vacate a patent granted, in pursuance of a resolve of last session, to William Read, of Queen-Anne's county; the said patent including about 50 acres of manor land purchased of the state by the subscriber in the month of January, 1782. This resolve it is conceived, was passed without due-consideration, the legislature not having full information on the subject, and was meant to convey only a small slip of reserved land contiguous to the manor.
