

Anne-Arundel county, June 28, 1783.  
**NOTICE** is hereby given, that a petition will be presented to the legislature of this state, at their next session, praying that a law may be enacted for the purpose of levying the sum of fifty-four pounds seven shillings sterling money of Great-Britain, with legal interest thereon since the 15th day of December 1772, upon the inhabitants of the parish of St. Margaret's Westminster, in Anne-Arundel county, being for so much money borrowed at that time of the Rev. Walter Magowan for the purpose of finishing the chapel thereof, and for which bond was given by the then vestry, which money is still due to Mr. Magowan.

RAN away from the subscriber, living on the head of South-river, about four miles from Annapolis, on the 18th day of July last, a lusty young negro wench named BET, about 5 feet 4 or 5 inches high, 25 years of age, a dark mulatto, she has a very bold impudent look, she has a large tear on one of her arms above her elbow, occasioned by a burn; had on when she went away, a white country linen thread and cotton shift, a white country cotton and yarn petticoat; it is likely she may have changed her cloaths, as she has a great many relations at Mr. Richard Darnall's, who may have supplied her with others. Whoever will take up the said negro and bring her home to the subscriber, shall receive twenty shillings, paid by

NICHOLAS L. DARNALL.

**NOTICE** is hereby given, that a petition will be preferred to the next general assembly, by Samuel Killam, and Samuel Treebarn, securities for John Long, late of Somerset county, deceased, for an act to enable them to expose to sale two tracts of land, called Hog-ridge and Wilson's purchase, for the purpose of discharging his debts.

London-town, October 15, 1783.

**THE** subscriber, being properly prepared for receiving a large quantity of hides and skins to tan and curry, takes this method of informing those who choose to favour him with their custom, that they may depend on being served with punctuality and care. All hides or skins not taken away within thirteen months after they are delivered, the owners must expect to forfeit half the leather for tanning the other; likewise those that I have received within this twelvemonth, if not taken away in two months from the date hereof, will fall under the same predicament.

EDWARD SEFTON.

**UPWARDS** of two years ago I was struck with a paralytic stroke, which affected me very much; it happened that I met with Mr. Logan, who promised to make a cure of my leg and arm, without any inward application, by applying a kind of ointment; I found in about a fortnight a great deal of relief in my right arm, knee, and ankle; from the anguish of the gout it continued rather longer than I expected. I write this for the good of mankind.

EDWARD DIXON.

Gloucester county, April 24, 1779.

**I HEREBY** certify, that my wife has been bad with rheumatic pains these six years, and captain Whitton sent Mr. Logan to see her; when he came he said he could relieve her, and in three weeks time she was clear of all pains in her arms. This I write in behalf of Mr. Logan, as several doctors have had her in hand and did her no good.

EDWARD LAYTON.

Baltimore, August 6, 1779.

**THIS** is to certify, that Mr. Logan, of Annapolis, prescribed medicines for John Hayman, who was confined to his bed with the rheumatism for a long time, by which I was restored to perfect health.

**A GENTLEMAN** who had the piles and gravel for about sixteen years, was also restored to perfect health by Mr. Logan's medicine.

**I ALSO** relieve palsies, rheumatisms, gout, gravel, fluxes, contractions of the limbs, white swellings, dropsy, running ulcers, &c. &c. I will take patients at my own house, or elsewhere in Annapolis; but cannot attend any in the country, except such as are confined to their beds. Constant attendance will be given, by their very humble servant,

WILLIAM LOGAN.

TO BE SOLD,

**A VERY** valuable tract of land, situate and lying on the mouth of Winter's run, in Harford county, and containing upwards of four hundred acres. It is about twenty miles from Baltimore-town, about four from Harford-town, a mile from Abingdon, and about the same distance from the navigable waters of Bush river; the main road from Susquehannah, Harford-town, Abingdon, to Baltimore-town, passes through it. The soil and timber are equal to any in the state, and upwards of two hundred acres are a fine rich meadow bottom. There was formerly a mill built on part of this land, and there cannot be a more excellent mill seat; it requires only a dam of three feet to throw the whole stream of Winter's run into the mill-race, which is a large and never falling run of water. Five years credit will be given for the principal, bond to be given with good security, and the interest to be regularly and annually paid. For further particulars enquire of the subscribers, Aquila Paca, senior, at Annapolis, and Aquila Paca, junior, in Harford county. The sale to be the first day of December next, at Harford-town.

A. PACA, sen.

**APPLICATION** will be made to the general assembly at the ensuing session, for the said assembly to take the legal steps to vacate a patent granted, in pursuance of a resolve of last session, to William Read, of Queen-Anne's county; the said patent including about 150 acres of manor land purchased of the state by the subscriber in the month of January, 1782. This resolve, it is conceived, was passed without due consideration, the legislature not having full information on the subject, and was meant to convey only a small slip of reserved land contiguous to the manor.
