

October 6, 1783.

TO BE SOLD,

A VERY valuable tract of land, situate and lying on the mouth of Winter's run, in Harford county, and containing upwards of four hundred acres. It is about twenty miles from Baltimore-town, about four from Harford-town; a mile from Abingdon, and about the same distance from the navigable waters of Bush river; the main road from Susquehannah, Harford-town, Abingdon, to Baltimore-town, passes through it. The soil and timber are equal to any in the state, and upwards of two hundred acres are a fine rich meadow bottom. There was formerly a mill built on part of this land, and there cannot be a more excellent mill seat; it requires only a dam of three feet to throw the whole stream of Winter's run into the mill-race, which is a large and never falling run of water. Five years credit will be given for the principal, bond to be given with good security, and the interest to be regularly and annually paid. For further particulars enquire of the subscribers, Aquila Paca, senior, at Annapolis, and Aquila Paca, junior, in Harford county. The sale to be the first day of December next, at Harford-town.

Port-Royal, February 9, 1779.

UPWARDS of two years ago I was struck with a paralytic stroke, which affected me very much; it happened that I met with Mr. Logan, who promised to make a cure of my leg and arm, without any inward application, by applying a kind of ointment; I found in about a fortnight a great deal of relief in my right arm, knee, and ankle; from the anguish of the gout it continued rather longer than I expected. I write this for the good of mankind.

EDWARD DIXON.

Gloucester county, April 24, 1779.

I HEREBY certify, that my wife has been bad with rheumatic pains these six years, and captain Whitton sent Mr. Logan to see her; when he came he said he could relieve her, and in three weeks time she was clear of all pains in her arms. This I write in behalf of Mr. Logan, as several doctors have had her in hand and did her no good.

EDWARD LAYTON.

Baltimore, August 6, 1779.

THIS is to certify, that Mr. Logan, of Annapolis, prescribed medicines for John Hayman, who was confined to his bed with the rheumatism for a long time, by which I was restored to perfect health.

JOHN HAYMAN.

Kent county, April 11, 1782.

MICHAEL EARLE, Esq; who had a white swelling for about sixteen years, was also restored to perfect health by Mr. Logan's medicine.

Prince-George's county, February 8, 1782.

A GENTLEMAN who had the piles and gravel for about sixteen years, was also restored to perfect health by Mr. Logan's medicine.

I ALSO relieve palsies, rheumatisms, gout, gravel, fluxes, contractions of the limbs, white swellings, droopy, running ulcers, &c. &c. I will take patients at my own house, or elsewhere in Annapolis; but cannot attend any in the country, except such as are confined to their beds. Constant attendance will be given, by their very humble servant,

35 WILLIAM LOGAN.

London-town, October 15, 1783.

THE subscriber, being properly prepared for receiving a large quantity of hides and skins to tan and curry, takes this method of informing those who choose to favour him with their custom, that they may depend on being served with punctuality and care. All hides or skins not taken away within thirteen months after they are delivered, the owners must expect to forfeit half the leather for tanning the other; likewise those that I have received within this twelvemonth, if not taken away in two months from the date hereof, will fall under the same predicament.

5 EDWARD SEFTON.

N. B. I have for sale a quantity of negroes shoes ready made, which I will sell on reasonable terms; also a parcel of excellent sole leather. F. S.

Annapolis, October 4, 1783.

A PPLICATION will be made to the general assembly at the ensuing session, for the said assembly to take the legal steps to vacate a patent granted, in pursuance of a resolve of last session, to William Read, of Queen-Anne's county; the said patent including about 150 acres of manor land purchased of the state by the subscriber in the month of January, 1782. This resolve, it is conceived, was passed without due consideration, the legislature not having full information on the subject, and was meant to convey only a small slip of reserved land contiguous to the manor.

October 18, 1783.

RAN away from the subscriber, living five miles from Annapolis, one from South-river ferry, in Anne-Arundel county, on the 10th of July last, a likely slim, round head, black, young negro fellow, named WILL, about 21 years of age, 5 feet 6 or 8 inches high, stutters very much at times, especially in the word yes, he frequently will repeat the words that are said to him before he can say yes; had on a coarse country linen shirt, but by this time he may have cloaths of different sorts; as for his own- ing his name or master that need not be expected, as he will not speak the truth but by chance, and then seems sorry for it, but when talking in his own infernal way he will stand stait and look brazen, and do not contradict him and he will not flutter so bad. Whoever takes up and secures the said fellow, so that the owner may get him again, shall receive if one mile from home four dollars, if twelve miles six dollars, if thirty miles eight dollars, if farther and in the state ten dollars, if out of the state the above reward, and reasonable charges if brought home, paid by
