March 2. On Sunday the 22d ult. sailed from *New-*

of this port, for *Canton* in *China*. On passing the...
garrison at *Fort-George*, she fired, with great regulari...

the fort. This handsome, commodious and elegant...
ship, modelled after, and built on the new invented...
construction of the ingenious *Mr. Peck of Boston*, is...
deemed an exceeding swift sailer. The captain and...
crew, with several young American adventurers, were...
all happy and cheerful, in good health and high spirits...
and, with a becoming decency, elated on being considered...
the first instruments, in the hands of *Providence*, who...

RICHMOND, February 23.
By the *London* advertiser, of *November 13*, it ap...
pears that much uneasiness has arisen, concerning the...
dissatisfactory account given of the property taken by...
the *British* at *St. Eustatius*. The immense treasure that...
was found there, and its being a subject of repeated...
congratulations, are first spoken of—then proceeds to...
mention the agents, whose conduct in this affair, as...
well as their characters in general, are not so tenderly...
handled—declaring that of property to the amount of...
three millions (the computed value of the capture) no...
more than two hundred and fifty thousand pounds had...
been accounted for; and this, at present, claimed in...
the courts of *doctors commons*, (subject to the uncertain...
issue of litigation. That the dignity and credit of the...
British nation, as well as the honour of its monarch...
had not been properly attended to—that the inhabitants...

all being attributed to the capture of *St. Eustatius*.

The ship *Commerce*, captain *Truxton*, arrived at...
Dover in *England*, the 21st of *November* last, having...
had a passage of twenty-three days from *Philadelphia*.

ALEXANDRIA, February 26.
The ship *Sampson*, captain *Joseph Greenway*, from...
this port, with tobacco for *Amsterdam*, struck on the...
Goodwin Sands on the 16th of *November* last, and by...
the violence of the weather, soon beat to pieces: the...
captain and crew, after suffering extreme hardships...
during a day and night, on part of the wreck, which...
was driven into the *North Sea*, were miraculously and...
provisionally saved (except one of the people) by a...
French fisherman, who, at the risk of his life, in a...
mountainous sea, took them on board his boat, and...
landed them safe at *Dunkirk*.

We hear that the ship *George* and *James*, captain...
Linton, which sailed from *Philadelphia* for *London* in...
October last, is cast away on the coast of *France* and...
totally lost; and that the *Shelburne* packet which left...
Falmouth with the *November* mail, bound to *New-*

permitting her to reach her destined port.
On the 28th ult. the French packet *Courier de*

West-Indies, took their departure from *New-York*.
The next day captain *Coupar*, in the ship *Edward*,...
sailed for *London*.

Upper Marlborough, March 4, 1784.
THE general assembly of *Maryland*, at their...
last session, passed a law for the relief of the...
subscribers, securities of *Thomas Williams*, late...
collector of the tax for *Prince-George's county*,...
wherein we were appointed and fully empowered to...
receive the books and vouchers of said *Thomas Wil-*
liams, and proceed on with the collection of the...
residue of the tax for the said county, provided, the...
said *Thomas Williams* did not, within twenty days...
from the passing of the said law, and after receiving...
notice of the same, render to his securities a suffi...
cient bond of indemnification, to be approved by...
the commissioners of the tax for the county afore...
said: And inasmuch as the said *Thomas Williams*...
did not comply with the provision aforesaid, although...
duly informed, repeatedly called upon, and even...
indulged therein until the day of his death, neither...
will his representatives take upon themselves the...
exoneraton of us the securities, by passing a bond of...
indemnity, therefore the painful and troublesome...
task of a general retrospect, and final liquidation of...
every person's account in the county aforesaid, with...
respect to the payment of state taxes for the three...
years in which he acted as collector, unavoidably...
devolves on us—from whence proceeds this public...
notice—that as there is still due to the treasury up...
wards of twenty-seven thousand pounds for the three...
respective years inclusive, the natural presumption...
is, that that sum is still in the hands of the people...
for we knew that inability in some and neglect in...
others has contributed largely to the procrastination...
of the payment of taxes, which the expenses of a...
necessary war, happily concluded, could not fail to...
render burthensome; and we believe our predecessor...
was too honest to withhold the public's money; that...
his misfortunes proceeded from his lenity and natu...
ral benevolence; but however unjustifiable such...
lenient conduct might be in him, when touching...
the public's weal, surely, in us, it would be thought...
doubly culpable, and highly abusive of that confi...
dence which the general assembly of this state has...
shewn us. To talk or think of indulgence at this...
time of day would be trifling with the business in...
deed. Yet at the same time that we are determind...
to pursue the most rigorous exertions of the law for...
our own safety, and do justice to the confidence...
placed in us, we mean not to lose sight of the...
ings of humanity, or take the people unapprised...
many of whom to this moment owe very large bal...
ances; and therefore will forbear all executions...
except in cases where it is absolutely necessary, until...
the first day of *May* next; by which time, a fair...
state of the accounts shall be made out, and after...
which time, with those who neglect to pay, an indis...
criminate execution will take place; to avoid which, we...
do most earnestly pray all that's indebted to make...
payment. The accumulation of fees, which would...
consequently arise on executions (should we be re...
duced to so disagreeable an alternative) is no object...
with us; to finally close the business is our only...
aim; our little is pledged for the faithful per...
formance of a man, whom it pleased God to take...
off before he had finished the work; it therefore re...
mains with us to complete; in which, not only our...
own, but the preservation of a widow and a number...
of innocent children, depends; excitement sufficient...
to induce men to do more than pay their just and...
necessary debts. *Mr. Walker Chandler*, who was...
conversant with the business in the life time of the...
collector, has the books in *Upper Marlborough*, free...
for the examination of every individual who con...
siders himself interested in the event.
