Some suspicions arising that the said horse might possibly not be the property of the said Harry Osbourn, he was pursued, and being thrown by the horse he had received in exchange, in endeavouring to get off, he secreted himself in the woods. The said gray gelding is supposed to be about eight years old, trots, paces and gallops, and is now in possession of the subscriber, from whom the owner may have him, on proving his property and paying reasonable charges for keeping him.
