COMET,
WILL cover mares this season at Rural Hall,
within three miles of the Woodyard, Prince-
George's county, at three hundred and twenty-five
pounds of crop tobacco, or three guineas paid any
time within twelve months from the time of covering,
and three shillings and nine-pence to the groom.

Comet is now arrived to that age which consti-
tutes a beautiful horse, is in high perfection, is a
bright chestnut beautifully dappled, fifteen hands
and a half high, and allowed by the best judges to
be a fine horse; nothing can be more conspicuous
than the superiority of Comet, from his foal in our
settlement, which are large, beautiful, active and
strong, these are principals requisite either in run-
ning or road horses; some of his foals have fold
from indifferent mares for upwards of a hundred
guineas in our neighbourhood. Comet is equal in
pedigree to any horse on the continent, he was got
by the late colonel Tayloe's Old Yorick, his dam by
Ranger, his grand-dam by Dove, both imported by
Dr. Hamilton, his great grand-dam by the late co-
lonel Tasker's Old Othello upon his noted Old Se-
lima.

Ranger was got by Martindale's famous Regulus,
his dam by Merry Andrew, his grand-dam by
Steady, his great-grand-dam was the dam of Shaftoe's
Old Wildair. Regulus was got by the Godolphin
Arabian, his dam by the Bald Galloway, she was
the noted mare called Grey Robinson. Merry An-
drew was got by Fox, his dam by Heatboy. Steady
was got by Flying Childers, his dam by Grantham.
Regulus won seven kings plates and never was beat.
Good pasturage for mares gratis when they come
above fifteen miles, others at three shillings and
nine-pence per week; the greatest care shall be
taken but not answerable for accidents or escapes.

JOHN BROWN.

Baltimore, March 25, 1784.

For HAMBURG,
THE ship Catharina Maria, captain Rohlaap,
now lying at Baltimore, and will sail early in
May. This vessel, the largest and perhaps most
complete ship for the tobacco trade that has ever
been in this port, will take in such part of her load
as is not already engaged, say about three hundred
hogheads, on FREIGHT, at the moderate rate
of thirty shillings sterling per hoghead. For further
particulars apply to
LUKE WHEELER.

YOUNG GRANBY,

An elegant thorough bred HORSE,
WILL cover this season, at the subscriber's,
near the Queen-tree, in Saint Mary's county,
at the low rate of eight dollars a mare, and five shil-
lings to the groom.

Young Granby is a beautiful bay, fifteen hands
and an inch high, rising eight years old, and very
active. He was got by Old Granby, his dam by
Old Britain, out of the noted mare Dido, imported
by Mr. Delancy, of New-York. The character of
Young Granby's sire and grand-dam is well known
and established, that further particulars of his pedi-
gree must be needless.

Good pasturage will be provided at three shillings
per week, and particular care taken of the mares,
but I will not be answerable for escapes.

NAT. EWING.

THE trustees, who were appointed by act of
assembly to have a church built in Annapolis,
being called on to account for the expenditure of
some money appropriated to that use, request all
persons who carried away the bricks and other ma-
terials, which had been provided for that purpose,
to render without delay to Mr. Thomas Hyde, an
account of the materials they respectively took or
caused to be carried away.

ON the 28th of last month, a mulatto man, who
said he was a free man, and that his name was
Henry Osbourn, from Virginia, came to the sub-
scriber's at Nanjemoy warehouse, in Charles coun-
ty, Maryland, and brought with him an iron-gray
gelding, near fifteen hands high, with a bob tail,
and branded on the off buttock and shoulder, but
both are imperceptible, so that the letters or impres-
sion cannot be ascertained; he swapped said gelding
with a person of the neighbourhood for another, and
presently set out for Annapolis, as he said on his de-
parture. Some suspicions arising that the said horse
might possibly not be the property of the said Harry
Osbourn, he was pursued, and being thrown by the
horse he received in exchange, in endeavouring
to get on, he crept himself in the woods. The
said gray gelding is supposed to be about eight years
old, trots, paces and gallops, and is now in posses-
sion of the subscriber, from whom the owner may
have him, on proving his property and paying rea-
sonable charges for keeping him.

BARTHOLOMEW FLANAGIN.

Annapolis, April 1, 1784.

WILSON WATERS,
HAVING finished his medical education, and
provided himself with every thing necessary
to the practice of physic, offers his services to the
public in that line, flattering himself, that nine
years application to the different branches of medi-
cine, under the best teachers in America, is a suf-
ficient apology for so doing. He has credentials
from his late master Benjamin Rush, M. D. and
profess. chem. in the university of Philadelphia, of
having served a regular apprenticeship, and obtained
a methodical knowledge of his profession, and cer-
tificates of having attended lectures on anatomy,
surgery, materia medica, chemistry, theory and
practice of physic, &c. He lectures at Mr. Chisholm's.

Virginia, Fairfax county, March 25.
ANY person who will undertake to build a dwel-
ling house, to contain about twelve hundred
square feet, will meet with good encouragement and
punctual payments, by applying to the subscriber,
who will either furnish materials or not, at the op-
tion of the undertaker.

G. MASON.

OTHELLO,

A BEAUTIFUL bright bay, full fifteen
hands high, rising four years old, and got by
Mr. Ridgely's noted bay horse Liberty, out of a full
blooded mare, will cover this season at the subscri-
ber's plantation, about four or five miles from An-
napolis, at a guinea for the mare and half a crown
to the groom. His dam's pedigree will be inserted
at length in next week's paper.

BEALE HAMMOND.

Warburton, February 8, 1784.

NOTICE is hereby given, that a
petition will preferred to the next
general assembly of Maryland, praying
that a law may pass to prevent the put-
ting down hedges or weirs adjoining the
town of Bladensburg, Prince-George's
county.

WANTED, at Ducker's mill, on
the Head of South river, a FULL-
LER. One who can come well re-
commended, will meet with good encou-
ragement, by applying to the subscriber,
at Mr. Thomas Rutland's plantation.
