To be SOLD,

THAT valuable tract of LAND whereon Mr. Athanasius Ford lately lived, in St. Mary's county, about two or three miles from Leonardtown, on the Head of Britons-bay, and about six miles from Patuxent river, containing upwards of thirteen hundred acres, with a commodious large brick dwelling house upon it, pleasantly situated, many convenient out houses, a valuable grist mill, though at present in bad repair, a large apple orchard of choice fruit, a few acres of meadow in timothy, and several hundred acres more may be easily laid down either in clover or timothy, being already cleared, and a considerable quantity cultivated in Indian corn. About five hundred acres of the above land is fine bottom, and may be cultivated either in grass or grain, and in its present state produces pasture equal to almost any place. The high land is chiefly level, and of good quality for wheat, and it is capable of being made one of the best farms in that part of the country. It is now under rent for fifteen thousand pounds of crop tobacco per annum.

Also about 260 acres of land adjoining, that has about 60 years of a lease to come, and subject only to a rent of one thousand pounds of tobacco per annum.

Tobacco, or state certificates bearing interest, will be taken for the greatest part of the purchase. If sold for specie, credit will be given for the greatest part of the sale, upon giving bond, upon interest, with approved security.

JOSEPH SPRIGG.

May 12, 1784.

Whoever takes him up, and secures him, so that I may get him again, shall receive ten shillings if taken up within ten miles, and ten shillings for every ten miles he shall be taken from home.

Annapolis, May 3, 1784.

THE subscriber having some time ago received an appointment from J. Pierce, Esq; paymaster-general of the forces of the United States, constituting him his deputy to settle the accounts of pay, &c. of the Maryland line of continental troops, which business he has hitherto been prevented from entering upon, for want of the necessary rolls and papers respecting the same; he, therefore, in compliance with his instructions, requests the officers of the Maryland line, and other officers of the quota of that state, will, without delay, furnish him with every necessary roll and information which in any way concerns a final settlement of their own claims upon the United States, and the pay and other accounts of the soldiers which they have from time to time commanded, since the 1st day of August, 1780.

He further informs the officers, that the documents he requests must be delivered to him, and be in his possession some time before they can receive their certificates, as Mr. Pierce, who is to sign them in behalf of the United States, will not attend at Annapolis to put the finishing hand to them, until they are all nearly ready.

THOMAS GASSAWAY.

For the terms of both, or either of the above houses, apply to the subscriber, personally, or by letter, at his seat on Patowmack.

Fencing, or Small Sword.

MR. WALL, intending to reside in Annapolis for some time, will instruct gentlemen at their houses, in the rudiments of that noble science. His desire being rather to oblige, and than in rendering this fine accomplishment more universal, (as well as obtaining in the course of constant practice further improvement to himself) than for any pecuniary advantage, will take no entrance, and his terms for teaching will be found reasonable. He will attend at his leisure a few miles in the country, as well for amusement, as emolument.

PHILIP STICHBURY, SAMUEL KERBY.

April 23, 1784.

The DAUPHIN,

WILL stand this season at Magruder's Ferry, and cover mares at three guineas, payable on or before the first day of August next, and one dollar to the groom, otherwise five hundred pounds of merchantable crop to acco.

The Dauphin is a bright bay, beautifully dappled, with black legs, mane and tail, full fifteen hands two inches and a half high, four years old this spring, and is allowed by competent judges to be superior in figure and form to any horse of his age in this state, and from his uncommon activity I have not the smallest doubt of his making a capital turf horse. The Dauphin's sire, colonel Lloyd's noted Traveller, his dam by Dr. Hamilton's imported Figure, his grand dam by the well known and imported Dove, his great-grand dam by colonel Taker's Othello upon the celebrated Selim, whose sire was the Godolphin Arabian, all horses of high blood and form, and the most esteemed breed of horses in America. Good pasture for mares at two shillings and six pence per week, and the greatest are taken of them, but I will not be liable for escapes or accidents.

GEORGE NAYLOR, jun.
